ADOLFO Raw unfiltered testosterone swelling with masculinity RAFAEL Rafa can t seem to outrun his delinquent past He has a chance to right some of his past wrongs by capturing members of his former criminal organization Will arresting the murderers be enough to redeem him or will a certain beautiful detective pay the ultimate price instead ALEJANDRO Lana s death was his fault Catching her killer proves difficult for undercover US Marshal Alejandro Santiago when his mission changes to protecting her son and her beautifully reckless sister Audrey RICARDO Keeping American lives safe is Agent Ricardo Santiago s only priority Living life in the field he doesn t have time for a relationship until he meets a kidnapped woman who desperately needs his help

Handbook of Risk and Crisis Communication Robert L. Heath, H. Dan O'Hair, 2020-10-28 The Handbook of Risk and Crisis Communication explores the scope and purpose of risk and its counterpart crisis to facilitate the understanding of these issues from conceptual and strategic perspectives Recognizing that risk is a central feature of our daily lives found in relationships organizations governments the environment and a wide variety of interactions contributors to this volume explore such questions as What is likely to happen to whom and with what consequences To what extent can science and vigilance prevent or mitigate negative outcomes and What obligation do some segments of local national and global populations have to help other segments manage risks shedding light on the issues in the quest for definitive answers The Handbook offers a broad approach to the study of risk and crisis as joint concerns Chapters explore the reach of crisis and risk communication define and examine key constructs and parse the contexts of these vital areas As a whole the volume presents a comprehensive array of studies that highlight the standard principles and theories on both topics serving as the largest effort to date focused on engaging risk communication discussions in a comprehensive manner Now available in paperback the Handbook of Risk and Crisis Communication can be readily used in graduate coursework and individual research programs With perspectives from psychology sociology anthropology political science economics and communication the Handbook provides vital insights for all disciplines studying risk and is required reading for scholars and researchers investigating risk and crisis in various contexts

Killer Data Enzo Yaksic, 2022-04-19 Killer Data examines the phenomenon of serial murder using data collected from international sources to review offender patterning with a focus on contemporary cases This type of attention will allow for a broader understanding of modern day

serial murderers and will help to dispel some of the myths that surround offenders The current serial murder classification scheme incorrectly types serial murderers as supremely intelligent killing machines while discounting their socialization experiences and choices This book exposes serial murderers as run of the mill hometown losers who brutalize women and are lucky to escape apprehension Like other atypical homicide offenders modern day serial murderers are propelled forward by a deep sense of entitlement easy access to firearms and a nonchalant attitude toward using murder to attain their goals Readers should come away with a deeper understanding not of the ultra rare or the deadliest serial murderers but of the more common offenders who pose a consistent threat to day to day life The book utilizes the Consolidated Serial Homicide Offender Database one of the largest and most robust open access databases of multiple murders available presenting new thinking on areas such as myths and stereotypes the impact of entertainment on the perception of serial murder inaccurate prevalence estimates spree serial hybrid offenders the classification of two and three victim serial murderers how serial murderers pursue longevity the characteristics of aspiring serial murderers whether hit men and gang members are serial murderers if and why serial murder is in a state of decline how many serial murderers are responsible for the homicides that sent innocent people to prison luck as a factor of success for serial murderers These findings are illustrated with 200 narrative vignettes of serial murder series that occurred between 2011 and 2021 such as Itzcoatl Ocampo Charles Severance Nikko Jenkins and Pamela Hupp offenders who may be unfamiliar to many but represent the next iteration of the serial murderer Correcting decades of flawed assumptions about serial murderers and written in an accessible and concise style Killer Data is essential reading for students and scholars of criminal justice and criminology law enforcement professionals and the interested general reader **Columbine, 20 Years Later and Beyond** Jaclyn Schildkraut, Glenn W.

Muschert, 2019-01-17 This powerful retrospective analysis of the 1999 Columbine High School shooting aftermath considers society's response to the attack long term implications of the shooting and the ways in which research and related policy must continue to move forward An indispensable resource for anyone interested in learning about the long term impact of the 1999 Columbine High School shooting Columbine 20 Years Later and Beyond provides a comprehensive look at how the event unfolded what has changed since the attack and how this information can be used to prevent future mass shootings Authors Jaclyn Schildkraut and Glenn Muschert both experts on mass shootings share their broad understanding of this tragedy and its aftermath Columbine became the measuring stick against which all other mass shootings would be compared and this book details with great sensitivity the ensuing changes to school security law enforcement's response to active shooter situations threat assessment practices legislative efforts and media coverage of unfolding situations With delicacy and tact Schildkraut and Muschert help to answer the painful question raised by a stone on the wall of the Columbine Memorial What have we learned The Book of the Rogue Joseph Lewis French, 1926 *Forest and Stream* , 1904

Video Source Book , 2006 A guide to programs currently available on video in the areas of movies entertainment general
