You can keep hundreds or thousands of volumes in your personal library and give it as a gift to your friends on special occasions or try to distribute in various libraries. You managed to distribute it; the book is beautifully placed on shelves. In time, dust is spread on covers. After a while, the book is withdrawn. It remains to use it as decoration at home or support for various household items. But lucky for you, there is an alternative: cheaper and more effective in selling your book. e-Books. e-Book and
