King Of Heaven Hillsong United:

Worship Together Bible Zondervan, 2013-08-22 Worshiping God is one of the believer's highest callings. Music and song have been a timeless way to glorify God throughout history. Scripture itself is full of musical and poetic praises dedicated to the Lord. Using a unique combination of songs and reflections, the NIV **Worship Together Bible** blends modern day worship and culture with the beloved Word of God. This Bible helps you embrace God as your loving Father and shows you how to exalt him through song and reflection. The musical inspiration in this Bible will remind you of the importance of constantly striving to be Christlike. As Pastor Jack Hayford, the author of the song *Majesty*, once put it: "Worship changes the worshiper into the image of the One worshiped." Features: The complete text of the world's most popular modern English Bible, the NIV; Lyrics to the top 100 worship songs; Song notes and reflections from the songwriters; Simple chord charts for the Top 20 worship songs; Essay that explores the purpose and history of worship music; Foreword by Matt Maher; Index to organize songs by scriptural reference.

Worship the King , The Spirit and the Song Steven Félix-Jäger, Chris E. W. Green, 2024-09-16 *The Spirit and the Song: Pneumatological Reflections on Popular Music* explores pertinent pneumatological issues that arise in music. It offers three distinct contributions: first, it asks what if anything music tells listeners about God's Spirit-ness. Can the experience of music speak to human spirit-ness, the world's transcendence, or a person's own self-transcendence in ways nothing else does, or can? Second, this book explores how the Spirit functions within and even determines culture through music. Because music is a profound human expression, it can find itself in a rich dialogue with the Spirit. Third, and finally, this book explores the contested status of music in Christian spiritual traditions. It deals with music as inspired by the Spirit, music as participation in Spirit-ness, and music as temptation of the flesh. As such, this book also engages music's placement in Christian spiritual traditions. The contributors of this book ask how Christian convictions about and experiences of the Spirit might shape the way one thinks about music.

Facing the Fire Kelvin J. Cochran, 2021-10-12 Decades fighting other people's fires prepared Kelvin Cochran to face his own fiery trial. He overcame poverty, prejudice, and pain to fulfill a childhood dream of helping others rising to the top of firefighting's professional ladder in Atlanta, Georgia. At one time nationally recognized as America's fire chief, Kelvin unexpectedly found himself caught in a fireball of controversy over his orthodox Christian beliefs for which he ultimately was fired by the city, making him a focal point in a national battle over religious freedom. Misrepresented by activists and the media, Kelvin relied on his faith to bring him through. In due course, he emerged from the flames of scandal unscathed, like the friends of the prophet Daniel who were thrown into the burning furnace. Kelvin's story is a sobering warning of how Christians faithful to biblical teachings are increasingly at risk of persecution in today's culture. It is also an inspiring example of overcoming racial prejudice and adversity and finding the courage to take the heat and stand for the truth.
