La folie de Pinochet Luis Sepulveda, 2011-05-05 J criss parce que j ai une mmoire et je la cultive en crivant C est cette mmoire qui nous rappelle l existence d un autre 11 septembre en 1973 il y a tout juste 30 ans Ce jour l le g n ral Pinochet prit le pouvoir au Chili avec l aide de la CIA en assassinant la d mocratie et des milliers de citoyens de ce pays *Caligula Et Camus* Sophie Bastien, 2006 Alors que le theatre d Albert Camus recoit de plus en plus de consideration de la part des universitaires cet ouvrage se consacre a la meilleure piece camusienne Caligula Il en propose une analyse structurelle pour en faire ressortir toute la metatheatralite et definit les rapports complexes que celle ci entretient avec la folie et le politique il cerne ainsi dans leur interaction les motifs qui sont au cour de l ouvre De plus il etablit des liens aussi riches que varies avec des textes historiographiques et des ouvres phares de la litterature occidentale qui prefigurent le personnage si puissant qu est Caligula En somme il situe la piece sur le triple plan d une tradition philosophique et litteraire qui remonte a l Antiquite du renouveau theatral qui marque le milieu du XXe siecle et de la production de Camus dans son ensemble **Journal d'une seconde vie** Marie Gilet, 2019-02-18 **Authenticity and Legitimacy in Minority Theatre** Patrice Brasseur, Madelena Gonzalez, 2010-04-16 Contemporary theatre is one of the best ways for ethno cultural minorities to express themselves whether they be of indigenous origin or immigrants It is often used to denounce social injustice and discrimination and more generally it helps to air questions debated in the wider community It may also express itself thanks to the staging of collective memory for it constitutes a privileged space for the exploration of the trauma of the past colonial for example as well as providing a means of effecting the reconfiguration of a new identity or of articulating an uneasiness about that identity Should minority theatre increase its visibility in relation to the mainstream or on the contrary remain on the margins and assert its specificity This question is at the centre of French Canadian experience for example but also applies to other postcolonial societies in Europe and elsewhere In order to maintain its cultural authenticity should this type of theatre distinguish itself from a multiculturalism that runs the risk of political and social recuperation If it is unable to resist the model proposed by globalization and widespread cultural dissemination will it lose its legitimacy Can and should there be a form of popular art at the service of the community The term minority raises questions that will be examined by the articles collected in this volume What is the definition of a minority Does this term refer to experimental and avant garde art forms as well as to ethno cultural drama Contemporary theatre is characterized by an aesthetics of hybridity in what measure is this the case for theatre outside the mainstream The exploration of this kind of theatre necessitates an examination of the very concept of theatre per se Since the development of the electronic media as the privileged vector of culture has not the theatrical genre itself become a minority art form These are some of the pressing questions that this volume will try to address thanks to a cross cultural multidisciplinary approach that aims to reveal the rich diversity of the field under study *Guide du Routard Chili et île de Pâques 2023/24* Collectif, 2023-07-05 Cet ebook est la version num
