

Entries

The first-time entry deadline for June 2023 is 21 February 2023. You can make late entries until 17 April 2023, but you will be charged a late entry fee. Please make entries as soon as possible, so that we can get your question papers and other exam materials to you in time for the exams. Courier lead times are currently much longer than before the pandemic and we want to avoid the risk of exam materials not reaching schools on time.

Question paper security

All unused question papers and answer booklets must be stored securely until at least 24 hours after the end of the exam or Key Time, whichever is later. After this time you can dispose of the unused question papers or you can return them to candidates/centre staff if you want to.

Guidance on running exams

We have updated this guide to support schools who may still be managing some ongoing issues caused by the pandemic. If this applies to your school, make sure you use this guide alongside the Cambridge Handbook when planning the exam series in your centre.
