Lean in : Women, Work, and the Will to Lead, 2013 Thirty years after women became 50 percent of the college graduates in the United States men still hold the vast majority of leadership positions in government and industry

This means that women's voices are still not heard equally in the decisions that most affect our lives. In this book, the author examines why women's progress in achieving leadership roles has stalled, explains the root causes, and offers solutions that can empower women to achieve their full potential.

FastDigest-Summary, 2018-02-08

Lean In: Women's Work and the Will to Lead A Complete Summary

Lean In is a book written by American author Sheryl Sandberg which talks about a subject that most of us are familiar with: women's rights. What do women's rights refer to in this book? Particularly well, first of all, it is worth saying that this book is not some feminist book that solely talks about women's rights and how women should be treated better than they are now. Although the book deals with the similar issues, in addition to describing the situation regarding women's status and then stating that things should be a lot better, **Lean In** also speaks about men. When talking about men, the author speaks about how they need to support women in every segment and aspect of life so that the problem with equality is reduced in the best way possible. The core of this book is guidance to women composed of advice and tips on how to increase a woman's prospect of obtaining a better position in her area of expertise. This stems from the author's strong belief that if women truly want to be equal to men, they need to be able to succeed in all aspects of life, especially in their careers. **Lean In** also speaks about happiness and says that it is very important for both women and men. Written in a unique manner in order to show how a woman thinks, **Lean In** is an interesting read that provides a new perspective. It is not unique because it talks about women's rights, but rather because of how it explains that women, just like men, have the same right to success and have the same right to reach their own happiness and fulfillment.

Here is a preview of what you will get in **Lean In: Women's Work and the Will to Lead**. You will get a summarized version of the book. In **Lean In**, you will find the book analyzed to further strengthen your knowledge. In **Lean In**, you will get some fun multiple-choice quizzes along with answers to help you learn about the book. Get a copy and learn everything about **Lean In: Women's Work and the Will to Lead**.

Lean In Sheryl Sandberg, 2014-04-10

Because the world needs you to change it. Expanded and updated exclusively for graduates just entering the workforce, this extraordinary new edition of **Lean In** includes a letter to graduates from Sheryl Sandberg and six additional chapters from experts offering advice on finding and getting the most out of a first job, CV writing, best interviewing practices, negotiating your salary, listening to your inner voice, owning who you are, and leaning in for millennial men. In 2013, Sheryl Sandberg's **Lean In** became a massive cultural phenomenon, and its title became an instant catchphrase for empowering women. The book soared to the top of bestseller lists internationally, igniting global conversations about women and ambition. Sandberg packed theatres, dominated op-ed pages, appeared on every major television show, and on the cover of *Time* magazine, and sparked a ferocious debate about women and leadership. Now, this enhanced edition provides the entire text of the original book, updated with more recent statistics, and features a passionate letter from Sandberg encouraging graduates to find and commit to work they love. A combination of inspiration and practical advice, this new edition will speak directly to graduates.
