

# PARENT GUIDE TO LEAP 2025 TESTS

As schools and students begin their final preparations for the spring Louisiana Educational Assessment Program (LEAP) tests, the Louisiana Department of Education (LDOE) created this fact sheet to provide parents with general information about the tests, and what you and your child can expect when he or she takes the tests in April and May.

## KNOW THE TEST

### 1. LEAP TESTS

Each year, students in grades 3 through 8 take state tests to measure their knowledge and skills in each subject area and their readiness for the next level of study.

The LEAP tests are just one of several indicators, in combination with report cards, teacher-made tests, and classroom work, that are used to create a complete picture of a student's performance in school. The results from the tests will be used to help teachers identify when students need additional support or more challenging work in each subject area. This information is also used to measure how well schools and districts are helping students achieve higher expectations.

For the 2024–2025 school year, students will take the following tests in grades 3–8:

- English language arts (ELA)
- Mathematics
- Science
- Social Studies

Students with the most significant learning disabilities are eligible to take the LEAP Alternate Assessment, Level 1 (LAA 1) that varies by subject area depending on the grade level. The LAA 1 test is given to students from February 6 through March 17, depending on schools' individual schedules.

### 2. LEAP TEST SCHEDULE

Students in grades 5 through 8 will take the LEAP tests in ELA, math, and social studies online this year. Schools have the option to test students in grades 3 and 4 online or on paper. All students in grades 3 through 8 will take the science test on paper.

The LEAP ELA, social studies, and math tests are strictly timed, and no additional time is permitted except for students who have a documented extended time accommodation.

### ONLINE TEST SCHEDULE:

KDHSA Testing Window: April 24th through May 5th

Schools have the discretion to determine the schedule for administering the on-line tests below. Therefore, testing days and session rotation will vary by school.
