Sally Barr Reagan,Thomas Fox,David Bleich,1994-07-01 This collection of essays on diverse issues in collaborative work
illuminates the next direction for the study and practice of collaboration in classrooms and research projects The essays
probe more deeply than any previous work into the political social and individual psychologies of students teachers and
researchers working together Beginning with a critique of the ideology of individualism the authors treat classroom issues at
all levels from middle school through graduate school Advocating an affirmative philosophy of collaboration the authors
attempt to understand both its shortcomings and its successes as illustrated in many examples of essays and comments
