Legionary VII: The Blood Road Gordon Doherty, 2018-07-10 381 AD The Gothic War draws to a brutal climax and the victor's name will be written in blood The great struggle between the Eastern Roman Empire and the Gothic Horde rumbles into its fifth year It seems that there can be no end to the conflict for although the Goths are masters of the land they cannot topple the last of the imperial cities But heralds bring news that might change it all Emperor Gratian readies to lead his Western legions into the fray to turn matters on their head to crush the horde and save the East The men of the XI Claudia legion long for their homeland's salvation but Tribunus Pavo knows these hopes drip with danger For he and his soldiers are Gratian's quarry as much as any Goth The road ahead will be fraught with broken oaths enemy blades and tides of blood

Land of the Sacred Fire Gordon Doherty, 2013 The empire is on its knees but a last hope lies beyond the eastern frontier 377 AD Emperor Valens has stripped the Persian frontier of its legions sending every available man to

Thracia in an effort to contain the rampaging Gothic hordes Now covetous eyes have fallen upon Rome's trade rich but sparsely defended desert provinces Shapur II Shahanshah of the Sassanid Empire and his many client kings have long believed Rome's eastern holdings to be theirs by ancestral right and those lands have never been more vulnerable Thus Valens must grasp at the slimmest of hopes that a Persian invasion can be staved off not by the brute force of absent legions but by the tenacity of a hardy few For in the heart of enemy lands something thought long lost might just offer salvation When Optio Numerius Vitellius Pavo and a select group of the XI Claudia are summoned to the Persian front they leave Thracia behind knowing little of what awaits them They know only that they are to march into a burning land of strange gods They whisper tales of the mighty Persian Savaran cavalry and pray to Mithras they will see their homes and families again All too soon it becomes clear to them that this is no ordinary mission indeed the very fate of the empire might rest upon their efforts But for Pavo the burden is weightier still for he knows that the east also holds something even more precious to him the truth about his father

Legionary: Land of the Sacred Fire Gordon Doherty, 2021-07-30 A tale of adventure and military brotherhood in the legions of Rome The empire is on its knees but a last hope lies beyond the eastern frontier 377 AD Emperor Valens has stripped the Persian frontier of its legions sending every available man to Thracia in an effort to contain the rampaging Gothic hordes Now covetous eyes have fallen upon Rome's trade rich but sparsely defended desert provinces Shapur II Shahanshah of the Sassanid Empire and his many client kings have long believed Rome's eastern holdings to be theirs by ancestral right and those lands have never been more vulnerable Thus Valens must grasp at the slimmest of hopes that a Persian invasion can be staved off not by the brute force of absent legions but by the tenacity of a hardy few For in the heart of enemy lands something thought long lost might just offer salvation When Optio Numerius Vitellius Pavo and a select group of the XI Claudia are summoned to the Persian front they leave Thracia behind knowing little of what awaits them They know only that they are to march into a burning land of strange gods They whisper tales of the mighty Persian Savaran cavalry and pray to Mithras they will see their homes and families again All too soon it becomes clear to them that this is no ordinary mission indeed the very fate of the empire might rest upon their efforts But for Pavo the burden is weightier still for he knows that the east also holds something even more precious to him the truth about his father

Legionary Gordon Doherty, 2012-09 The Danubian frontier is weaker than ever and a storm is gathering in the north Deep winter 376 AD Emperor Valens has withdrawn the field armies from Moesia and Thracia to fight in the Persian War The impoverished limitanei legions left behind to defend the banks of the River Danubius are now all that stand between the war hungry Goths and heart of the Eastern Roman Empire For Numerius Vitellius Pavo and the men of the XI Claudia the brief from Emperor Valens is simple to avoid war with the Goths at all costs while the Roman defences are so weak But in the frozen lands north of the Danubius a dark legend thought long dead has risen again The name is on the lips of every warrior in Gutthiuda the one who will unite the tribes the one whose armies will march upon the empire the one who will bathe in

Roman blood The Viper Legionary X: Devotio Gordon Doherty,2025-03-27 AD 391 in the aftermath of civil war the Roman Empire lies broken The emperor is missing Rumours fly that he has lost his mind Sensing weakness the Goths rise in revolt All to the delight of the dark hand who orchestrated the civil war and plots to stoke another Far out at sea Pavo stands watchfully at the prow of the Justitia running cargo between distant lands At every port he hears of the empire s swelling troubles Of fire and zeal and panic Of legions bristling for battle But his days of protecting the provinces with sword and shield are over He his wife and his lad will soon have enough funds to make a home on a quiet island far from the madness Yet the empire is an ever hungry beast and Pavo is about to sail straight into its jaws It is a journey that will take him to the brink and throw down before him the question to which there is only one answer what would you sacrifice to save your loved ones Blood treachery reckless heroism justice honour This story has it all Empire of Shades Gordon Doherty,2017 379 AD Thracia has fallen to the Gothic horde With the ashes of Adrianople still swirling in the air the Eastern Roman Empire is in turmoil The emperor is dead the throne lies empty and the remaining fragments of the army are few and scattered Numerius Vitellius Pavo now Tribunus of the XI Claudia tries to hold his patchwork ranks together amidst the storm One of the few legions to have survived the disaster at Adrianople the Claudia do what they can to keep alive the dying flame of hope When word spreads of a new Eastern Emperor those hopes rise But the coming of this leader will stir the Gothic War to new heights And it will cast Pavo headlong into the sights of the one responsible for the East s plight a man mighty and seemingly untouchable and one who will surely crush any who dares to challenge him From the ashes of Adrianople new heroes will rise with dark ghosts in close pursuit Soldier of Rome: The Legionary James Mace,2008-12-06 Rome s Vengeance In the year A D 9 three Roman Legions under Quintilius Varus were betrayed by the Germanic war chief Arminius and destroyed in the forest known as Teutoburger Wald Six years later Rome is finally ready to unleash Her vengeance on the barbarians The Emperor Tiberius has sent his adopted son Germanicus Caesar into Germania with an army of forty thousand legionaries The come not on a mission of conquest but one of annihilation With them is a young legionary named Artorius For him the war is a personal vendetta a chance to avenge his brother who was killed in Teutoburger Wald In Germania Arminius knows the Romans are coming He realizes that the only way to fight the legions is through deceit cunning and plenty of well placed brute force In truth he is leery of Germanicus knowing that he was trained to be a master of war by the Emperor himself The entire Roman Empire held its collective breath as Germanicus and Arminius faced each other in what would become the most brutal and savage campaign the world had seen in a generation a campaign that could only end in a holocaust of fire and blood **Legionary** Gordon Doherty,2011-06 The Roman Empire is crumbling and a shadow looms in the east 376 AD the Eastern Roman Empire is alone against the tide of barbarians swelling on her borders Emperor Valens juggles the paltry border defences to stave off invasion from the Goths north of the Danube Meanwhile in Constantinople a pact between faith and politics spawns a lethal plot that will bring the dark and massive hordes from the east crashing down on these struggling

borders The fates conspire to see Numerius Vitellius Pavo enslaved as a boy after the death of his legionary father thrust into the limitanei the border legions just before they are sent to recapture the long lost eastern Kingdom of Bosphorus He is cast into the jaws of this plot so twisted that the survival of the entire Roman world hangs in the balance **Legionary** John Waite, 2016-04-27 Of all the armies that have marched through the pages of history few have captured the imagination as fully as the Legions of Rome History echoes with the deeds of the mighty Roman Legions but that hard won glory would never have been possible without the extraordinary skill and courage of the individual Legionaries themselves Just what kind of man did it take to serve and fight in an army capable of holding most of the known world under the control of the Caesars Marcus Sulpicius Vepitta was one such man Meticulously researched and drawing heavily on the work of both classical writers and modern scholars Legionary is his story This is not a tale of a man rising to fame and riches just an ordinary young recruit as he submits to the iron discipline of the XIII Gemina Legion Proudly claiming his place in its ranks as it joins a huge army gathering in Gaul to seize the distant land of Britannia for the Emperor Claudius This book invites the reader to suspend disbelief and step back two thousand years in time to enter Vepitta's world A world very different from our own where modern sensibilities and morality have no place and a conscience is something that very few can enjoy as the mighty Roman Legions engage the native Britons in ferocious battles for control of Rome's newest province **Legionary V: Gods & Emperors** Gordon Doherty, 2015-11-05 The fate of the East rests on the edge of a sword as the legions and the Goths march to war 378 AD Fritigern's Gothic horde tightens its iron grip on Thracia and only a handful of well walled cities to the south remain in imperial hands The few tattered legions pinned in these cities can only watch on from the battlements as smoke rises across their lost lands and the Goths roam at will pillaging and extorting Every Roman legionary or citizen speaks of only one thing the Emperors of East and West Valens and Gratian who are said to be closing swiftly on this war stricken land each bringing with them vast armies capable of vanquishing the horde Awaiting the relief armies in Constantinople Centurion Pavo and the XI Claudia prepare as best they can The Gothic War has taken much from each of them and none more so than Pavo But still he and his fellow officers cling to the chance that two lost to them might yet return their leaders Tribunes Gallus and Primus Pilius Dexion Pavo's brother have not been seen or heard from since setting off on a mission to Emperor Gratian's court in the West Some are sure they must have fallen yet Pavo refuses to give up hope instead whetting his blade and praying that fate will guide the pair back in time for the clash that is to come a clash that promises to end the Gothic War for the empire's finest legions are destined to meet Fritigern's ferocious masses on the plains of Adrianople *The Legionary [catalog]* Legionary (Firm), 1983 [Legionary: Dark Eagle \(Legionary 8\)](#) Gordon Doherty, 1900 *Legionary VIII: Dark Eagle* Gordon Doherty, 2020-02-05 What hope has one forgotten soldier of bringing an emperor to justice Winter 382 AD The Gothic War is over After years of bloodshed the Eastern Roman Empire and the Goths have struck a deal for peace Imperial heralds crow about the treaty as if it were a triumph Feasts and celebrations take place

across the Eastern provinces Every hero of the war is honoured and acclaimed except one Tribunus Pavo languishes in exile haunted by a dark truth that it was Gratian Emperor of the West the most powerful man alive who caused the war and manipulated its every turn Tormented by memories of loved ones lost during the great conflict one word tolls endlessly through Pavo's mind Justice But in this great game of empire justice rarely comes without a grave cost **The Legionary [catalog]** Legionary (Firm),1985 Viper of the North (Legionary 2): Legionary Gordon Doherty,2012 The Danubian frontier is weaker than ever and a storm is gathering in the north Deep winter 376 AD Emperor Valens has withdrawn the field armies from Moesia and Thracia to fight in the Persian War The impoverished limitanei legions left behind to defend the banks of the River Danubius are now all that stand between the war hungry Goths and heart of the Eastern Roman Empire For Numerius Vitellius Pavo and the men of the XI Claudia the brief from Emperor Valens is simple to avoid war with the Goths at all costs while the Roman defences are so weak But in the frozen lands north of the Danubius a dark legend thought long dead has risen again The name is on the lips of every warrior in Gutthiuda the one who will unite the tribes the one whose armies will march upon the empire the one who will bathe in Roman blood The Viper *Clay Legionary* J. produce Now impoverished and risking starvation the Frisians did the unspeakable and sought open rebellion as their only means of survival The Emperor Tiberius now living in self imposed isolation on the isle of Capri is deeply troubled upon hearing that such a staunchly loyal province would seek to throw off the rule of Rome Nevertheless he orders the mobilization of the Army of the Rhine to suppress the Frisians back into docile submission never knowing the real reason as to the origin of the rebellion As the Twentieth Legion marches north into Frisia on its first major campaign in eight years Centurion Artorius finds himself facing his first major battle since taking over his Century Years of relative peace combined with the mass discharges of many of his veteran soldiers have left the ranks filled with a number of young and inexperienced legionaries For over a third of his men this will be their first action The Frisians in their desperation know that they face death either by starvation in peace or slaughter on the battlefield For Artorius and his legionaries the crucible of war will end in heartbreak for only after the devastation of battle does the truth arise
