**Gallipoli: A Manual of Trench Warfare** Clem Gorman, 2015-02-25 The play is set in a sandbagged trench at Gallipoli 1915 and throws the concepts of heroism into a new perspective Private Barry Moon a raw country boy and Brendan Barra an older soldier share a small forward trench and they must bond to survive They find themselves battling not only the enemy for whom they have a sneaking admiration but also themselves and the military establishment The mateship they develop is their uniquely Australian way to combat the dehumanizing effects of war by bonding laterally thus revealing a pathway to the survival of the human spirit in the face of the horrors of war **A Manual of Trench Warfare** Clem Gorman, 1979

S. Smith, 2015-08-06 Excerpt from *Trench Warfare A Manual for Officers and Men* It is a safe bet that when the German army started for Paris they had plans for use in the event of disaster The disaster occurred and a new type of warfare requiring the highest courage skill and endurance was born I say born because although trench warfare was known before it died in birth compared to this war for the amount of science energy and variety of weapons used More earth has been removed by a combination of man pick and shovel in making these trenches than was excavated to make the Panama Canal possible and in less time It is my object in this book to give a faint idea and knowledge of the trenches and to approximately explain the way warfare is carried on and I offer the information contained herein as a basic foundation on which to use the further knowledge you will gain as an officer and which for obvious reasons I will not and cannot give here About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in
