Manual Of Psychomagic The Practice Of Shamanic Psychotherapy:

Manual of Psychomagic Alejandro Jodorowsky, 2015-01-30 A workbook for using symbolic acts to heal the unconscious mind Provides several hundred successful psychomagic solutions for a wide range of specific psychological sexual emotional and physical problems from stuttering eczema and fears to repressed rage and hereditary illnesses Details how practitioners can develop unique psychomagic solutions for their patients Explains how psychomagic bypasses the rational mind to work directly with the unconscious for quicker and more enduring change Traditional psychotherapy seeks to unburden the unconscious mind purely through talk and discussion Psychomagic recognizes that it is difficult to reach the unconscious with rational thought We should instead speak directly to the unconscious in its own language that of dreams poetry and symbolic acts By interacting on this deeper level we can initiate quicker and more enduring change to resolve repressed childhood trauma express buried emotions and overcome deep seated intimacy issues Through the lens of psychomagic illness can be seen as the physical dream of the unconscious revealing unresolved issues some passed from generation to generation In this workbook of psychomagic spells legendary filmmaker and creator of psychomagic Alejandro Jodorowsky provides several hundred successful psychomagic solutions for a wide range of psychological sexual emotional and physical problems from stuttering eczema and fear of failure to repressed rage hereditary illnesses and domineering parents Each solution takes the same elements associated with a negative emotional charge and recasts them into a series of theatrical symbolic actions that enable one to pay the psychological debts hindering their lives Explaining the shamanic techniques at the foundation of psychomagic the author offers methods for aspiring practitioners to develop solutions for their own unique patients Jodorowsky explains how the surreal acts of psychomagic are intended to break apart the dysfunctional persona with whom the patient identifies in order to connect with a deeper more authentic self As he says in the book Health only finds itself in the authentic There is no beauty without authenticity *The Art of Creating a Magical Session* Paul J. Leslie, 2019-01-10 Recent research has repeatedly confirmed that it is not the technique nor the theory but the interaction between therapists and clients that creates change in clients This practical guide outlines the ways in which psychotherapists can find new methods of moving their therapy sessions toward dynamic healing interactions by shifting away from an overreliance on techniques and theories The Art of Creating a Magical Session discusses the key elements needed to create the interaction conditions for transformational therapeutic change to occur Using a conceptual approach to client transformation the book draws from a diverse range of sources including indigenous traditions and rituals as well as the latest research on the common factors that contribute to success in the therapy room Each chapter focuses on educating and inspiring mental health professionals to easily adapt and apply creative and resourceful approaches to help their own clients begin inner transformations With case studies and narratives woven throughout this accessible guide will support mental health practitioners as they approach their practice in new ways and achieve deeper and more magical therapy sessions It

will be valuable reading for psychotherapists psychologists social workers and counselors *The Chaos Protocols* Gordon White,2025-08-05 The years since the financial crash have seen the realization dawn that the great promise of modern civilization will go unfulfilled Study hard work hard buy a house retire happy It s all a lie spun for the benefit of a tiny elite The richest eighty five people on earth have as much wealth as the poorest 3 5 billion Each month the numbers change but they never improve Magical and spiritual discourse has failed to keep up with this new reality The Chaos Protocols aims to fix that Join Gordon White as he shows you how to use chaos magic not only to navigate these trying times but to triumph as well Discover how to become invincible through initiation and wage the mind war that will keep you moving toward what you really want From sigil magic to working with spiritual allies The Chaos Protocols helps you act on the unwavering belief that your life should matter and you re not going to let something as trifling as the apocalypse get in the way of it Praise Gordon White gives a master class on the hard economic realities and the kind of low down and dirty magic for which he has become famous Pragmatic sharp and funny The Chaos Protocols is a treasure of a book Peter Grey author of Apocalyptic Witchcraft Take two parts Magick Without Tears a measure of The Wealth of Nations a pinch of Ian Fleming and a dash of Noel Coward and you have this almost promiscuously readable text Whoever said books on magick can t be fabulously entertaining as well as eminently practical has obviously not read up on their Gordon White Remedy that situation Chris Knowles author of The Secret History of Rock n Roll and Our Gods Wear Spandex The Finger and the Moon Alejandro Jodorowsky,2016-10-10 Jodo s interpretations of the stories and koans of Zen master Ejo Takata Offers more than 60 Zen teaching tales initiatory stories koans and haikus for self realization and spiritual awakening Each story or koan is accompanied by the author s lucid and penetrating commentary blending the same burlesque slapstick and sublime insight that characterize his films Explains how one must see beyond the words of the story to grasp the spiritual insights they contain Before he became the film maker and graphic novel author known throughout the world today Alejandro Jodorowsky studied with Zen master Ejo Takata in Mexico City In The Finger and the Moon Jodorowsky recounts how he became Takata s student and offers his interpretations of the teaching tales initiatory stories koans and enigmatic haikus he learned at the feet of his great and humble teacher Blending the same burlesque slapstick and sublime insight that characterize his films such as El Topo and The Holy Mountain each story is accompanied by the author s lucid and penetrating commentary as well as insights from ancient Zen teachers Yet their most significant gift to the reader is the sudden shock of realization they impart that can lead to spiritual awakening Jodorowsky notes that most people are incapable of self realization because of their fear of the void within an emptiness they seek to fill with noise and chatter He shows that Zen teachings can be compared to a finger pointing at the moon directing you to awaken to your true nature the Buddha within The danger lies in mistaking the pointing finger for the moon mistaking the words for the essential enlightenment which can only be grasped once words have been surpassed Unlike most tales these stories are intended to evoke silent illumination as true awakening and self realization cannot occur until the mind has

been stilled
