## Message To The People:

Message to the People Tony Martin, 2022-04-05 In September 1937 three years before his death Marcus Garvey assembled a small group of his most trusted organizers For almost a quarter of a century he had led the Universal Negro Improvement Association at its peak the largest international mass movement in the history of African peoples Now he wanted to pass on the lessons he had learned to the group best suited to carry the struggle forward For one month he instructed this elite student body twelve hours a day seven days a week The sessions were secret and much of the instruction was not written down This fascinating distillation of a great leader s experience is published here for the first time
