

A close-up photograph of sliced smoked turkey breast. The turkey is sliced into thin, overlapping pieces, showing a moist, light-colored interior and a slightly darker, golden-brown exterior. The slices are arranged in a fan-like pattern. In the bottom left corner, there are some green leafy vegetables, possibly lettuce. A large, dark green circular overlay is centered over the turkey, containing the text "LEFTOVER SMOKED TURKEY RECIPES" in white, uppercase, sans-serif font.

In this book you will find good honest cooking meals that you will love to eat and love to serve to family and friends. None of the photography has been staged every photo was taken just before the food was eaten so again there is honesty in the way it is presented. Most of the recipes are cooked using the more gentle indirect barbecue method positioning food away from the fire thus reducing the risk of creating a bitter flavour caused by over charring or burning. So whether you want to cook outside on your barbecue or indoors in your kitchen there will be something in this book for you. I hope you enjoy recreating some of these recipes as much as I have enjoyed sharing them with you.
