She has one more year to feed her true passions Then she ll be expected to fulfill a much darker destiny Cursed with inexplicable strength and godlike stature literature professor Maximus Kane knows all about darkness Every day he s reminded of the missteps of his childhood and the devastating consequences they ve had on those dearest to him To atone Maximus spends his nights alone and his days submerged in the quiet life of academia His existence has become a study in control and he s become a master at it until Kara Valari walks into his toughest course Viscerally Kara s everything he craves Logically she s everything he rejects She s a starlet of privilege She s also a student And after one touch he can t deny that she s awakened something in him that may never go dormant Nothing about her makes sense but everything about her feels right Especially in the deepest strands of his DNA which are still shadows of mystery to him a mystery Kara seems determined to uncover She s Hollywood royalty She s forbidden fruit And he s pretty sure she could be the answer to everything

Fate of Storms Meredith Wild,Angel Payne,2021-05-04 A stolen destiny An impossible quest Kara Valari has broken one of the underworld s highest laws and is serving the ultimate sentence But nothing not even the impossible quest of breaching the boundaries of hell and facing off with Hades himself will keep Maximus Kane from rescuing her The journey will demand all of Maximus s courage and help from an unlikely guide Driven by love he sets off into a dark realm he only knows from the tattered pages of Dante s Comedy In hell s bleak world every part of Kara s soul is subjected to Hades s morbid fascination and merciless assault Giving in to his demands means sharing the intimate details of why she dared to disobey him a love for Maximus that even now burns on in her heart Just when Kara resolves herself to an eternity of her nightmare she discovers a glimmer of hope a way to glimpse her beloved Could her visions of Maximus unite them once more or are they just another twisted punishment for her in a kingdom designed for agony In those fleeting moments of light and passion Kara rekindles her fight to survive Darkness may still separate her from Maximus but they re connected by fate But can their love survive this storm
