## **Merlin S Girl No Daughter For The King:**

Merlin's Girl Patricia Lang, 2014-12-25 Merlin's Girl Patricia Lang's telling of the ancient story of King Arthur weaves together many of the age old tales of the king's adventures. These familiar stories are united with the central plot created by a what if? Was it possible that the great King Uther desperately needing a son to carry on his historic effort to unify the early people of Britain did not have a son? Bands of invaders were crossing the English Channel waters and stealthily dispersing throughout the Island. Uther and his prime advisor Merlin realized that a strong leader was continually necessary to achieve this goal. But what would have happened if the only heir to Uther's throne was a baby girl? Merlin's Girl is the story of the time leading up to this birth and the years that followed during the reign of Uther's son King Arthur. **Le morte d' Arthur. 1** Thomas Malory, 1891 *The Young Woman's Journal*, 1904 *The Romance of Arthur* James J. Wilhelm, 2014-05-22 First published in 1989 Routledge is an imprint of Taylor Francis, an information company. **Legends of Arthur**, 2001 The image of Arthur has haunted the poets and writers of western Europe for nearly nine centuries and there is no sign of an end to the reign of the once and future king in the world of literature. The Arthurian epic is as popular a subject now as it was when it was first fashioned and the stories about Arthur and the heroes associated with him come in a bewildering number of guises. The sheer variety of the legends both in style and content is extraordinary and this collection attempts to present in a small space something of this diversity. Sir Thomas Malory half a millennium ago plundered a whole range of sources to create his masterpiece *Le Morte d'Arthur* but he did so to weld them together within the framework of Arthur's own career. *Legends of Arthur* draws on different sources but emphasizes the way in which writers have created new stories around the great heroes or have told the stories in different ways. So there are two versions of each hero's exploits. Arthur is shown as emperor and warlord and as the triumphant and tragic king of the romances betrayed by Lancelot and Guinevere. Gawain is the central figure of the wonderful adventures of a Dutch romance and the courtly and subtle hero of the English masterpiece *Sir Gawain and the Green Knight*. Tristan appears as the single minded lover of Iseult in the original version of his story and then as a knight of the Round Table whose devotion to chivalry is almost as great as his passion for his beloved. In these differing versions we can see how the Arthurian romances held the medieval world spellbound for so long in all their color and variety.
