A Creative Primary Curriculum for All Emma L. Palastanga, 2021-11-29 The curriculum in many primary schools in recent history became worryingly narrowed such that children were being prepared for tests more than their lives were being enriched with a variety of knowledge skills and experiences It is clear that it is the latter that enables them to perform well in tests and in life so the time for change is now This book seeks to empower teachers and school leaders to better understand what is meant by curriculum and what a creative educational diet might look like in each individual school The book explores curriculum intent implementation and impact It includes leaders reflection boxes and practical suggestions for busy teachers Emma L Palastanga analyses the need for a broad and balanced curriculum against the limitations of cramming for success and delves deep into the process of curriculum planning delivery and evaluation using Ofsted s terminology Examples of lessons and a range of different approaches are shared throughout the book A Creative Primary Curriculum for All will give all subject leaders classroom teachers and teacher trainees the confidence to provide a rich exciting and varied curriculum meeting the needs of learners whilst also letting the craft of teaching and individual inspiration shine

The Social World of Pupil Career Andrew Pollard, 1999-06-17 This text is the second part of a seven year ethnography of individual pupils from the ages of four to eleven in an English primary school It presents a sociological analysis of children coping with the social worlds of home playground and classroom over the seven years of a primary school career The study provides holistic insights into the biographies of four children during their primary school years and the case studies give prominence to the voices and perspectives of parents children and teachers interacting over time The reader is invited to engage personally with these accounts and is guided as the book progresses to an overall analysis of the significance of social relationships and learning processes on the childrens s career trajectories

Language Learning and Intercultural Understanding in the Primary School Wendy Cobb, Virginia Bower, 2021-11-29 Language Learning

and Intercultural Understanding in the Primary School shows how to deliver a progressive and holistic embedded language curriculum. It provides guidance on inclusive approaches for students with English as an additional language including native speakers in the target language as well as language awareness activities that maximise links with learning in English. Practical and accessible, it contains classroom examples, plans, resources and pedagogical approaches all underpinned by theory, research and practice. Each chapter examines specific themes relating to language, culture, identity and wellbeing, providing rich discussions and a range of perspectives. Case studies bring to life the examples provided and reflection points offer the reader the opportunity to pause and consider an idea, resource or challenging concept before moving on. Presenting a lived narrative of shared voices, the authors invite readers to learn about their own cultural and linguistic identities and how these relate to their practice. This is a must-read for teachers, language specialists and school leaders who wish for a clear rationale for the role of language, culture, identity and wellbeing within and beyond the curriculum. **Teacher in New**

Africa, 1968 *How to Raise Boys' Achievement* Colin Noble, Jerry Brown, Jane Murphy, 2013-01-11 This book gives practical help to anybody who wishes to learn anything about the practical and accessible ways to raise boys' achievement in primary and secondary schools. Its down-to-earth, language-easy style and rational sequencing of actions will appeal to all readers. This is essentially a handbook that can be used for reference, background reading, planning, preparing arguments, essays or as a general introduction to one of the most pressing issues in education today. The authoritative case studies and clear explanations of what to do and how to do it will be a boon to all readers. It discusses why some boys underachieve, what can be done to raise achievement and how current national strategies aim to address the problem. It is aimed at headteachers, heads of department, ITT students, governors and parents in all phases of education. **The Metropolitan Life Survey of**
