Kenexa General Ledger Test:

Taxi Driver—The Ill Fated Lad Mr. Donny Churchill, 2017-04-05 This book is a real life story about the beauty of life when you have a wonderful income which ultimately gave me a glamorous lifestyle I had a lavished apartment on the Upper East Side of Manhattan where I was always entertaining my friends and their friends Sometimes my friends and I would use limousine just for the night out At the end of my company contract and after about another six months without income I sold my condominium at a reasonable price and relocated to Jersey City in New Jersey I lived in a spacious apartment for another five months without income then I decided to drive a yellow cab I went to TLC for my hack license to enable me to drive a taxi I registered with a taxi company in Brooklyn and I became a taxi driver Driving the taxi and continuing my job hunting at the same time was daunting With too many summonses from police officers and TLC inspectors within a period of about four years taxi driving my license was revoked No more taxi driving no more income And my life became too miserable

General Ledger and Financial Control International Business Machines Corporation, 1956
