Paige, 1986

Teaching Children Mathematics, 1994 *Parents*, 1985 *U.S. News & World Report*, 1994 *Practical English, a Scholastic Magazine*, 1958 **School Psychology Review**, 2004 **Computer Education for Teachers** Vicki F. Sharp, 2002 Designed to meet the needs of the student unfamiliar with the use of the computer in the classroom this text is written for undergraduate and graduate education students who want an up to date readable practical and concise introduction to computers for teachers Included in the text are a wealth of classroom lessons that integrate technology into the classroom The Software Encyclopedia, 1988 Learning and Teaching K-8 Mathematics Janet M. Sharp, Karen Bush Hoiberg, 2005 Real students Real teaching Real learning Try it This hands on text takes an ACTIVE approach to teaching mathematics in grades K 8 Activities are embedded in each chapter for adult learners to complete to ensure that they are grasping the mathematics Completing these activities provides future teachers with invaluable insight into how children think about and learn math thereby equipping them with the skills to make sound instructional decisions See it Throughout the book and on the enclosed Understanding Children s Mathematical Thinking VideoWorkshop CD ROM we see coauthor Karen Bush Hoiberg in action A presidential award winning elementary teacher Karen provides a multitude of practical applications and real world examples to give preservice teachers insight into how children think mathematically Teach it The text is organized around four general themes within each major mathematical content area thinking about the mathematics learning theories the role of the teacher and making algebraic connections By actually DOING mathematics while analyzing learning theory novice or preservice teachers are able to connect chapter concepts to actual classroom teaching practices Many methods books assume that their readers know very little about learning theory and proceed to either overwhelm their readers or trivialize the material through a superficial chapter Sharp and Hoiberg integrate learning theory throughout their text and show how learning theory can be viewed through mathematics in real classrooms without becoming tedious or distracting Chris Ohana Western Washington University Field Editor for the NSTA Journal of Science and Children College

students planning to be elementary school teachers need a framework and examples that reflect contemporary notions about the teaching and learning of mathematics Similarly college methods professors need materials that challenge their students with respect to the mathematical content they are expected to teach and how they can encourage children s mathematical thinking The needs of both may be met with Learning and Teaching K 8 Mathematics Tom Romberg University of Wisconsin Madison Perhaps one of the most important aspects of the text is the continual reference to the classroom seeing it not only in form of vignettes but hearing it from the voice of a practicing teacher and also the inclusion of excerpts of questioning techniques used by other practicing teachers This constant reference to the classroom will help preservice teachers become much more reflective mathematics teachers William Fisher California State University Chico **Learning** ,1978 **Annual Editions** Ellen N. Junn,Chris J. Boyatzis,2006-09 This fourteenth edition of Annual Editions Child Growth and Development provides convenient inexpensive access to current articles selected from the best of the public press Organizational features include an annotated listing of selected World Wide Web sites an annotated table of contents a topic guide a general introduction brief overviews for each section a topical index and an instructor s resource guide with testing materials Using Annual Editions in the Classroom is offered as a practical guide for instructors Annual Editions titles are supported by our student website **Canadian Books in Print** ,1980 **“A” New English Dictionary on Historical Principles** William A. Craigie,James Augustus Henry Murray,1919
