Super Pro 70 chain saws are identified by a model number (600443) followed by a suffix letter (A, B, D, E or J) stamped on the identification plate attached to the saw. Suffix letters denote variations in parts or assemblies in the manufacture of the saw.

Part numbers listed in this IPL which have a suffix letter or letters following the description, indicate the part is used only on the model(s) identified by the letter or letters.

Part numbers and descriptions without suffix letter or letters apply to all models of the Super Pro 70 chain saw.

Part numbers which have one or more dash (-) preceding their description may be ordered individually but they are also included in the kit or assembly whose description begins directly above the dash(-).

Part numbers which have changed since the previous printing of the IPL covering these saws, are indicated by a dash (-) preceding the new part number.
