Jordan Adler Beach Money:

Beach Money Jordan Adler, 2008 Unravel the mystery around creating a large residual income in network marketing Have you ever wondered if the average person can really make it big in network marketing Have the secrets to success in network marketing always been a mystery to you Have you given up on your dream lifestyle because it just seems too difficult or too far out of reach Beach Money shows you how to compress a 30 year career into 3 to 5 years design your life around your free time instead of around your work schedule and turn your yearly income into your monthly income

Better Than Beach Money Jordan Adler, 2018-03-07 What if there was a secret road or a less traveled pathway to your dreams One that was 100 times shorter and one that required little to no struggle What if this path became ridiculously obvious once someone pointed it out Sometimes by simply shifting your viewpoint invisible things will become visible and new opportunities to rapidly reach your dreams will appear Have you ever noticed that breakthroughs in business are occurring at light speed all around us as a result of entrepreneurs that have chosen to see the world through a different set of lenses In Better Than Beach Money Jordan Adler shares real life stories that will help you to view your life from a different angle From this new point of view you will discover roads and pathways and see opportunities that can cause your dreams to materialize almost instantaneously You will realize that you don't have to wait You can begin to stray from that long tedious path to achieving your goals and embrace a new way that can take you there much quicker Most personal development trainers and efficiency experts propose writing down your dreams and taking daily action towards them Sounds logical this is a linear and very human process But our brains don't exactly work in this way when it comes to attaining our dreams Our dreams rarely come to us in a linear fashion Our dreams happen quickly once we meet the right people shift our perspective and open our minds to the quantum growth opportunities that are all around us Better than Beach Money can take you there
