#### **More info about me:**

I either play a male character named Mancow or a female character named Joana. In the past I have been first to 60 on 6 different servers, one of my goals with World of Warcraft is to get to the end level cap on new servers with the least amount of /played time possible, this means each time I level up through WoW I have been revising my routes in order to achieve a better /played time. I have achieved 4 days 20 hours /played time to 60 (years ago now), this was done on the JubeiThos realm. I have this entire 4 day 20 hour run RECORDED, the whole thing is recorded and you can see this video for free on my [about me](#) page!
