Interiors and Narrative Estela Vieira, 2012-12-17

Interiors and Narrative shows how crucial interiors are for our understanding of the nature of narrative A growing cultural fascination with interior dwelling so prevalent in the late nineteenth century parallels an intensification of the rhetorical function interior architecture plays in the development of fiction The existential dimension of dwelling becomes so intimately tied to the novelistic project that fiction surfaces as a way of inhabiting the world This study illustrates this through a comparative reading of three realist masterpieces of the Luso Hispanic nineteenth century Machado de Assis's *Quincas Borba* 1891 E a de Queir's *The Maias* 1888 and Leopoldo Alas's *La Regenta* 1884 1885 The first full length study to juxtapose the renowned writers Interiors and Narrative analyzes the authors spatial poetics while offering new readings of their work The book explores the important links between interiors and narrative by explaining how rooms furnishings and homes function as metaphors for the writing of the narrative reflecting on the complex relation between private dwellings

and human interiority and arguing that the interior design of rooms becomes a language that gives furnishings and decorative objects a narrative life of their own The story of homes and furnishings in these narratives creates a semiotic language that both readers and characters rely on in order to make sense of fiction and reality The Thrive Diet Brendan Brazier,2007 The Thrive Diet reduce body fat diminish visible signs of aging boost energy and mental clarity enhance mood increase productivity eliminate junk food cravings and hunger build a stronger immune system lower cholesterol improve sleep quality stay healthy for life The Thrive Diet is a long term eating plan that will help you achieve optimal health through stress busting plant based whole foods It s an easy to follow diet that will help you understand why some foods create nutritional stress and how other foods can help eliminate it giving you a lean body sharp mind and everlasting energy Fully researched and developed by Brendan Brazier professional Ironman triathlete The Thrive Diet features the best whole foods a 12 week whole foods meal plan over 100 easy to make recipes with raw food options that are all wheat gluten soy corn refined sugar and dairy free including exercise specific recipes for pre workout snacks energy gels sport drinks and recovery foods an easy to follow exercise plan that compliments The Thrive Diet environmental preservation learn how The Thrive Diet can help The Canadian Magazine ,1898 *House Beautiful* Jo Saltz,2022-10-25 An inspiring accessible collection of the colorful interiors at the heart of the House Beautiful House Beautiful Live Colorfully showcases a wide range of colorful homes with an emphasis on spaces that have a distinctive color point of view Maybe it s how to pair multiple bright paints in one room or how to build a palette from a prized textile or wallcovering no color is off limits In addition to super pigmented lacquers and a rainbow of pastels chapters also feature neutrals such as an all wood interior and a home in creams and whites that still has tons of personality Each of these homes are shown across multiple spreads that feature highlights from both the interiors and exteriors Additionally sidebars sprinkled throughout offer a wide array of tips for both the novice and expert interior designer including smart paint pairings how to read a room s light before committing to a color how to stencil paint onto a wall and much more House Beautiful Live Colorfully will be a timeless collection of inspiring homes with all of the unexpected takeaways that readers of the magazine have loved for years **Punch** Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1986 **The Canadian Magazine** J.
