Asia and the Americas ,1922 **The Golden Book Magazine** ,1928 **The Up-to-date Bartenders' Guide** Harry Montague,1913 *Enjoyment of Laughter* Max Eastman,2017-09-29 Humor at its best is a somewhat fluid and transitory element but most books about it are illustrated with hardened old jokes from the comic papers or classic witticisms jerked out of their context Max Eastman in this work avoids this catastrophe by quoting mainly from contemporary American humor This is not an anthology in that selections have been made with a view to making a point rather than covering the field The purpose of Eastman s fabled work is to make the reader laugh Since his early school days it has seemed to him that textbooks are wrongly written in that they are conducted in a way which ignores the natural operation of the mind As a result the opinion is universal and under the circumstances a fact that in order to learn anything you have to study Since this introduction to humor is itself near to writing a textbook Eastman uses the very text he constructs to illustrate the manner in which textbooks should be written Examination and classification of the kinds of humorous experience upon the basis of a theory is a science As such this work offers a fair chance to illustrate a method of instruction However the distinction between a good joke and a bad one will not prevent the reader from making bad jokes nor enable one to make good ones There is an artistic and playful element that simply cannot be taught *Enjoyment of Laughter* presents a total view of the science of laughter and draws upon some of the great American humorists to do so **The New Statesman** ,1917 **The Saturday Review of Politics, Literature, Science and Art** ,1900 *A Time to Laugh* Donald Capps,2006-03-17 Shows the ways in which humour can be recovered for religion This book argues that religion is diminished when it fails to understand and embrace its own historical connection Its chapters deal with topics ranging from humour as an expression of intimacy to humour as the maintenance of the soul **Aids to Laughter and Cures for the Blues to be Taken, as Needes, in Homeopathic Doses: Some Books of Humor Chosen Principally from Those Published Since 1910 But Including a Few Old Favorites** American Library Association,1926 Radio News ,1927 Some issues 1943 July 1948 include separately paged and numbered section called Radio electronic engineering edition called Radionics edition in 1943 **The Double-dealer** ,1922 **Pearson's Magazine** ,1921 Pearson s Magazine 1899 1925 a monthly magazine devoted to literature politics and the arts was founded as a New York affiliate of the London periodical of the same name part of which it reprinted From 1916 to 1923 it was edited by Frank Harris *Ogilvie's Slow Train and what Happened on it* ,1908
