**Consumer Behavior in the Internet Era** Gong Sun, Lester Johnson, Jie Li, 2022-11-28      **Sexual Orientation, Gender Identity, and Schooling** Stephen Thomas Russell, Stacey S. Horn, 2017 Sexual Orientation Gender Identity and Schooling brings together contributions from a diverse group of researchers policy analysts and education advocates from around the world to synthesize the practice and policy implications of research on sexual orientation gender identity and schooling      **A History of Human Rights Society in Singapore** Jiyoung Song, 2017-05-08 To celebrate Singapore's fiftieth anniversary for its independence from Malaysia in 2015 35 students academics and activists came together to discuss and write about pioneering Singaporean human rights activists and their under reported stories in Singapore The city state is known for its remarkable economic success while having strict laws on individual freedom in the name of national security public order and racial harmony Singapore's tough stance on human rights however does not negate the long and persistent existence of a human rights society that is little known to the world until today This volume composed of nine distinctive chapters records a history of human rights activists their campaigns main contentions with the government survival strategies and other untold stories in Singapore's first 50 years of state building      **Outclassed** Joan C. Williams, 2025-05-20 An eye opening urgent call to mend the broken relationship between college and non college grads of all races that is driving politics to the far right in the US Is there a single change that could simultaneously protect democracy spur progress on climate change enact sane gun policies and improve our response to the next pandemic Yes changing the class dynamics driving American politics The far right manipulates class anger to undercut progressive goals and liberals often inadvertently play into their hands In Outclassed Joan C Williams explains how to reverse that process by bridging the diploma divide while maintaining core progressive values She offers college educated Americans insights into how their values reflect their lives and their lives reflect their privilege With illuminating stories from the Portuguese admiral who led that country's COVID response to the lawyer who led the ACLU's gay marriage response and more Williams demonstrates how working class values reflect working class lives Then she explains how the far right connects culturally with the working class deftly manipulating racism and masculine anxieties to deflect attention from the ways far right policies produce the economic conditions disadvantaging the working class Whether you are a concerned citizen committed to saving democracy or a politician or social justice warrior in need of messaging advice Outclassed offers concrete guidance on how liberals can forge a multi racial cross class coalition capable of delivering on progressive goals      *"Wake Up, Mr. West"* Joshua K. Wright, 2022-01-27 Black celebrities in America have always walked a precarious line between their perceived status as spokespersons for their race and their own individual success and between being not black enough for the black community or too black to appeal to a broader audience Few know this tightrope walk better than Kanye West who transformed hip hop pop and gospel music redefined fashion married the world's biggest reality TV star and ran for president all while becoming one of only a handful of black

billionaires worldwide Despite these accomplishments his polarizing behavior controversial alliances and bouts with mental illness have made him a caricature in the media and a disappointment among much of his fanbase This book examines West's story and what it reveals about black celebrity and identity and the American dream **Cool** Steven Quartz, Anette Asp, 2015-04-14 This engrossing history merges evolutionary biology and economics to explain our spending habits and show how coolness is at the heart of consumerism Mental Floss We live in a world of conspicuous consumption where the things we buy not only satisfy our needs but also communicate our values identities and aspirations In Cool Steven Quartz and Anette Asp bring together groundbreaking findings in neuroscience economics and evolutionary biology to show how our concepts of cool be it designer jeans smartphones or craft beer help drive the global economy Cool puts forth a provocative theory of consumerism based on our brain's innate status seeking and social calculator The authors highlight the underlying processes that guide our often unconscious decision making They also pull back the curtain on choice architects who design store interiors as well as coolhunters who scour Berlin and Tokyo for the latest trends Quartz and Asp follow the evolution of cool consumption from the mid twentieth century through the emergence of the Internet in the 1990s finally unpacking the social motivations behind today's hip ethical consumption Taking us from Norman Mailer to normcore Cool is surprising at every turn and will forever change the way you think about money status and your next purchase Choice, 1978 **62nd Annual of Advertising, Editorial and Television Art and Design** Art Directors Club Of, 1983
