Hamilton Madison and Marshall articulated their visions for the early American republic Even beyond America in this age of successive revolutions and crises foreign statesmen began to formulate their own accounts of the new nation its character and its future prospects This volume reveals how these vigorous debates and competing rival visions defined the early American republic in the formative epoch after the revolution

The Rise and Rise of Illegal Ticket Touting Alessandro Moretti,2023-02-10 This book presents an ethnographic study of contemporary ticket touts in the UK Despite the recent interest in the topic of black market ticket sales media coverage and parliamentary interventions over the last ten years have revealed a widespread lack of knowledge with regard to the phenomenon of touting and the players engaging in the practice The Rise and Rise of Illegal Ticket Touting sheds light on the world of touting and delivers an authentic picture of the individuals involved of their methods values and motivations for performing ticket touting as an organised entrepreneurial deviant activity The touts varied methods of buying and selling tickets the hierarchical structures and strict ethos of their criminal organisations and their specific modi operandi for evading detection and arrest both on the streets and online are focal points of the study Of equal importance are the touts attitudes perceptions and adaptations to or outright dismissal of society s legal and moral frameworks This book illuminates why historic and renewed attempts to challenge ticket touting have been unsuccessful focusing on inadequate legislation a lack of enforcement and the widespread corruption and

exploitable loopholes that exist within the official primary ticket market An accessible and compelling read The Rise and Rise of Illegal Ticket Touting will appeal to students and scholars of criminology sociology social policy policing and all those with an interest in live music and sport and the hidden practices that lurk beneath the surface Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library.
