Evaluating Language Assessments Antony John Kunnan, 2017-07-06
Evaluating Language Assessments offers a comprehensive overview of the theoretical bases and research methodologies for the evaluation of language assessments and demonstrates the importance of a fuller understanding of this widely used evaluative tool. The volume explores language assessment evaluation in its wider political, economic, social, legal, and ethical contexts while also illustrating quantitative and qualitative methods through discussions of key research studies. Suitable for students in applied linguistics, second language acquisition, and language assessment and education, this book makes the case for a clear and rigorous understanding of the theoretical and methodological underpinnings of language assessment evaluation in order to achieve fair assessments and just institutions.

Human Resource Management John Bratton, Jeff Gold, Andrew Bratton, Laura Steele, 2021-12-30
Authoritatively and expertly written, the new seventh edition of Bratton and Gold's *Human Resource Management* builds upon the enduring strengths of this renowned book. Thoroughly updated, topical, and accessible, this textbook explores the theory and practice of human resource management and will encourage your students to reflect critically on the realities of the ever-changing world of work. The new edition truly captures the zeitgeist of contemporary human resource management. With coverage of the Covid-19 pandemic in relation to business ethics, physical and mental wellbeing, inequality, and the rise of the gig economy and precarious work, students will feel connected to the complex issues that face workers, organisations, and wider society. This edition also includes expanded coverage on the ever-palpable effects of globalization and technological change and explores the importance of sustainable practice. Students will gain critical insight into the realities of contemporary HRM, engaging with the various debates and tensions inherent in the employment relationship and understanding the myriad of different theories underpinning human resource management. New to this edition: New Ethical Insight boxes explore areas of current ethical concern in trends and practice. New Digital Spotlight boxes explore innovations in technology, analytics, and AI and the impact on workers and organisations. Topical coverage on job design and the rise of the gig economy and precarious work. A critical discussion of the core themes and debates around human resource management in the post-Covid-19 era, including mental health and wellbeing. A rich companion website packed with extra resources, including video interviews with HR professionals, work-related films, bonus case studies, links to employment law, and vocab checklists for ESL students, make this an ideal text for online or blended learning.

Unequal By Design Wayne Au, 2022-07-29
This new edition of *Unequal By Design* examines the deep and enduring problems within systems of education in the U.S. in order to illuminate what is really at stake for students, teachers, and communities negatively affected by such testing. Updates

to the new edition include new chapters that focus on the role of schools and standardized testing in reproducing social cultural and economic inequalities the way high stakes testing is used to advance neoliberal market based educational schemes that ultimately concentrate wealth and power among elites how standardized testing became the dominant tool within our educational systems the numerous technical and ideological problems with using standardized tests to evaluate students teachers and schools the role that high stakes testing plays in the maintenance of white supremacy and how school communities have resisted high stakes testing and used better assessments of student learning Parents teachers university students and scholars will find *Unequal By Design* useful for gaining a broad critical understanding of the issues surrounding our over reliance on high stakes standardized testing in the U S through up to date research on testing historical and contemporary examples of the struggles over such tests and information about how testing has fostered the privatization of public education in the U S Centering Humanism in STEM Education Bryan Dewsbury, Susannah McGowan, Sheila S. Jaswal, Desiree Forsythe, 2024-09-24 Research demonstrates that STEM disciplines perpetuate a history of exclusion particularly for students with marginalized identities This poses problems particularly when science permeates every aspect of contemporary American life Institutions repeated failures to disrupt systemic oppression in STEM has led to a mostly white cisgender and male scientific workforce replete with implicit and or explicit biases Education holds one pathway to disrupt systemic linkages of STEM oppression from society to the classroom Maintaining views on science as inherently objective isolates it from the world in which it is performed STEM education must move beyond the transactional approaches to transformative environments manifesting respect for students social and educational capital We must create a STEM environment in which students with marginalized identities feel respected listened to and valued We must assist students in understanding how their positionality privilege and power both historically and currently impacts their meaning making and understanding of STEM **The Journal of the National Education Association** National Education Association of the United States, 1922 **Yearbook of International Organizations 2014-2015 (Volume 4)** Union Of International Associations, Union of International Associations, 2014-09-17 The Yearbook of International Organizations provides the most extensive coverage of non profit international organizations currently available Detailed profiles of international non governmental and intergovernmental organizations IGO collected and documented by the Union of International Associations can be found here In addition to the history aims and activities of international organizations with their events publications and contact details the volumes of the Yearbook include networks between associations biographies of key people involved and extensive statistical data Providing both an international organizations and research bibliography Volume 4 cites over 46 000 publications and information resources supplied by international organizations and provides nearly 18 000 research citations under 40 subject headings This volume also includes a research bibliography on international organizations and transnational associations Today's Education National Education Association of the United States, 1922 **Official**
