Tennis!!** Gf Denehy,2019-12-05 Get Better Now Yo Tennis provides the quickest and least expensive ways to learn tennis the correct way You don t need expensive racquets or have to belong to a country club And you don t need to take endless amount of lessons Just read this book and Get Better Now Most people try tennis because it looks like fun and fairly easy to learn Then they get frustrated with the sport because they didn t know what to do next or where to turn or what to expect in terms of costs equipment quality instruction or even expectations for learning Yo Tennis answers these questions and more So before you waste any more money or time read this book Key Tips for Improving Quickly Yo Tennis provides an entire chapter of very specific tips that most tennis players are currently doing wrong and when done correctly will improve their game immediately Choosing the right racquet Depending on your level of tennis and if you have not had an opportunity to discuss racquet selection with a coach or instructor then spend less than 40

on your first racquet An expensive tennis racquet will NOT improve your game Always have a target and a purpose No one who reasonably plays tennis just runs around a court hitting tennis balls anywhere in general We all try to hit the ball somewhere However to improve and win at tennis you must be able to place the ball to a designated spot on the court But before you can do that you must know where to tactically put the ball to achieve the best results Keep the ball away from Waldo Waldo is your opponent You must always be aware of where your opponent is and hit the ball away from Waldo to make Waldo run to hit the ball on the run Key rules you must know there are 228 pages in the USTA ITF rule book not all of them are key To get started playing games Yo Tennis has summarized the most common rules needed to have a good fair and enjoyable game of tennis without making a lot of enemies Key Drills for maximum impact Yo Tennis provides a list of key drills and training recommendations for maximum impact for all tennis players High School Tennis is not a gym class The tennis coach is responsible for fielding his best players to win a match for his school and provide those players with the training to be their best Which leaves little time for everyone else Think of a high school tennis coach as compared to the head coach of the football or basketball program The tennis coach has all the administrative responsibilities and all the specialist training responsibilities without any assistant coaches who teach position and performance skills Thus do not show up for your High School tennis team thinking you are going to learn much about how to play tennis First Commandment of Doubles The first commandment in doubles is never criticize your doubles partner during a match even when they make a mistake especially when they make a mistake Complete list of Tennis Terms Tennis like any sport has its own language which is different from other sports Yo Tennis provides a complete list of the terms used throughout tennis programs The sooner you learn to speak tennis the quicker you will improve Proper Court Etiquette to prevent making enemies on the court Poor court etiquette will upset more experienced players and make it harder to gain the support of others A beginning and even intermediate tennis player especially one seeking hitting partners should be aware that one of the surest ways to alienate other tennis players is to display bad tennis manners etiquette Tennis is a game of Honor Tennis is a game that requires cooperation and courtesy Players make calls on their own side of the net and are expected to do the best they can to make an honest call and opponents always get the benefit of the doubt All points played in good faith are counted *Tennis It's a LifeStyle* Gf Denehy, 2021-10-22 It s a Lifestyle Tennis It s a Lifestyle Not Just a Sport provides the quickest and least expensive ways to learn tennis the correct way for the right reasons You don t need an expensive racquet or have to belong to a country club You will be shown Quick Tips and Training Techniques to immediately improve your game You will learn Key Rules that all tennis players must know and proper Court Etiquette so you can impress more experienced players with your knowledge and court manners while you are learning a game they love tennis And you don t need to take endless amount of lessons Just read this book and Get Better Now Most people try tennis because it looks like fun and fairly easy to learn Then they get frustrated with the sport because they didn t know what to do next or where to turn or what to expect in
