May 2014 C1:

The Rebirth of Professional Soccer in America Dennis J. Seese, 2015-03-06 The history of soccer in the United States is far richer and more complex than many people realize. Leagues competed in the U S as far back as the late 1800s and in 1919 Bethlehem Steel became the first American professional soccer team to play in Europe when they toured Sweden. Multiple leagues existed during the early 1900s but after the American Soccer Association folded in 1933 the country did not see a rebirth of professional soccer until 1967. It was a painful hostile revival that saw dueling groups of American sports entrepreneurs fracture into two separate professional leagues: The United Soccer Association (USA) and the National Professional Soccer League (NPSL). *The Rebirth of Professional Soccer in America* The Strange Days of the United Soccer Association tells the story of this largely forgotten chapter in the sport's history. The USA and NPSL were ragged misshapen pieces of a puzzle that refused to fit together: two leagues competing directly for fans and revenue. While the USA was a league sanctioned by FIFA but absent from the nation's airwaves, the NPSL was considered an outlaw league by FIFA but it held an exclusive television contract with CBS. This would have been strange enough but the USA league imported entire teams from Great Britain, Italy and South America including Stoke City, Wolverhampton Wanderers, Cagliari Calcio and Bangu. This book recounts soccer riots in Yankee Stadium, teams with dual identities, World Cup winners on the pitch and a cast of characters featuring the likes of Phil Woosnam, Lamar Hunt, Derek Dougan and Gordon Banks. Drawing on meticulous research and interviews, this book reveals the little known story that unfolded on the field, in the boardroom and across the country during this single strange season of professional soccer. Featuring an impressive group of global soccer legends, this book delivers a fascinating piece of soccer history for the growing legions of American soccer supporters as well as for soccer fans around the world.

Racing with Roger Penske Sigur E. Whitaker, 2022-09-20 Auto racing legend Roger Penske began as a successful sportscar driver before transitioning to owning a race team and opening a car dealership. Within eight years Team Penske won the Indianapolis 500. Today the team boasts more than 580 victories including an unparalleled 18 Indianapolis 500 wins and two at the Daytona 500. Penske's efforts on the track have been intertwined with his business ventures. Penske Corporation, with 32 billion in revenues, includes Penske truck leasing and rentals, retail automotive centers and logistics. In 2019 he bought the Indianapolis Motor Speedway and related assets including IndyCar and led both through the coronavirus pandemic when racing continued with no fans in the stands. This book chronicles more than 50 years of Roger Penske's racing history with an overview of his business career including the turnaround of Detroit Diesel.
