Language Program Vitality in the United States Emily Heidrich Uebel, Felix A. Kronenberg, Scott Sterling, 2023-11-09 The perception of a permanent enrollment crisis in US postsecondary foreign language education has shaped our profession s image for an entire generation of educators Over the past 30 years this crisis rarely invited self examination or inspired creativity Instead it was routinely attributed to external factors shrinking budgets unsympathetic administrators disengaged students This volume is refreshingly optimistic After providing a nuanced picture of the complex enrollment situation and focusing on perceptions of language education among undergraduate students the volume features an inspiring panorama of successful models that revitalized language programs at a wide range of institutions. The diversity of approaches to post secondary language education in the United States featured in this volume highlights that there are no simple one size fits all solutions To be transformational initiatives need to be intimately calibrated to the evolving needs and desires of our institutions most important stakeholder the student Per Urlaub Massachusetts Institute of Technology MA USA Complete Medical Spanish Joanna Rios, 2004 Medical Spanish Gail Bongiovanni, 1991 Designed to assist English speaking medical personnel with medical history taking and the performance of complete medical examinations on their Spanish speaking Current Catalog National Library of Medicine (U.S.),1992 First multi year cumulation covers six years 1965 70 patients
