Leap First Creating Work That Matters

Gayle Westerberg, Leslie Davison

Leap First Creating Work That Matters:

Unmasking What Matters Sandra Joseph, 2018-01-23 1 International Best Seller Living a meaningful satisfying life is an enigma for most people today We feel stuck small without the self confidence to move in the direction of what we really want Or if we do muscle through our fear in pursuit of our dreams we exhaust ourselves working and striving and achieving and yet somehow no matter our level of outer world success are left dazed and disheartened asking ourselves Is this all there is After ten years on Broadway Sandra Joseph the longest running leading lady in Broadway s longest running show The Phantom of the Opera knows one thing for sure the only way to have a truly fulfilling life and achieve success that satisfies is to recognize that the journey up is no substitute for the journey in In *Unmasking What Matters* Joseph uses lessons learned on the road to Broadway during her decade as Christine and through the challenges she faced after walking away from the business to show readers how to courageously bring their inner voice to the outer world stop seeking success for achievement s sake and start creating the life they truly desire With her hard won wisdom poignant personal stories and practical experiential exercises to guide them readers will learn to shed their limiting masks mindfully work through their fears stand in their authentic power and build a life rich with satisfaction meaning and significance Warm humble encouraging and inspiring *Unmasking What Matters* can help anyone move from stuck fearful and playing it safe to embracing their passions gifts and opportunities and living life full out today

An Educator's Guide to Dual Language

Instruction Gayle Westerberg, Leslie Davison, 2016-04-14 This user friendly book is a key resource for teachers and administrators to ensure their school s success in implementing and maintaining a dual language program Authors Gayle Westerberg and Leslie Davison share their own experiences leading a dual language school the obstacles they overcame and the best practices they learned along the way The book is filled with step by step instructions and strategies you can try immediately as well as inspirational stories from educators in urban and rural dual language programs across the country Topics include Choosing a model for your dual language program and involving all stakeholders in the transition process Marketing your program effectively to recruit students and staff including international teachers Implementing a standards based instructional framework focused on direct vocabulary instruction extensive reading and using language in context Setting proficiency targets and using internal and external assessments to track students progress Incorporating technology for a more interactive and engaging language learning experience You ll also learn how to effectively transition your program through different grade levels and build a collaborative school culture for a strong long lasting K 12 dual language program Additional resources are available on the authors website www.duallanguageinstruction.com

Team Habits Charlie Gilkey, 2023-08-29 DISCOVER SMALL TEAM BASED CHANGES THAT HAVE COMPANY WIDE RESULTS The teams we work in amplify our individual efforts yet we constantly struggle to accomplish what is possible You can see all the problems in a typical weekly meeting No planning Missing goals Muddled communication We think just bringing our personal hopes and

desires will be enough. It's not. The groups we work in need collective habits as much as individuals need better personal habits. Determining team habits for things like planning, decision making, and prioritization produce reliability and ease for everyone. Team habits create better work and let people work better together. In *Team Habits*, Charlie Gilkey explains how the revolution in personal habits has an even greater potential when applied to teams. With practical exercises, a Team Habits Quiz to evaluate areas for improvement, and a guide to create a team habits roadmap, *Team Habits* will help you transform your group so team members can flourish and thrive. If changing the smallest habit can yield powerful results for an individual, then just imagine what it can do for your team. — *Work That Matters* Maia Duerr, 2017-12-26

So many of us feel trapped in wage slavery and deadened to our true talents and life's purpose. Or we've wandered through dozens of jobs and are left feeling adrift and without meaning in our lives. Livelihood is a source of great suffering for way too many. Author and longtime meditator Maia Duerr wandered through several professions and dozens of jobs, including alfalfa sprout packer and Buddhist chaplain, before she finally unlocked a combination of work that was deeply fulfilling and sustainable. These experiences provided her with rich material to examine the emotional, psychological, and cultural barriers to creating work that expressed her life's core intention, what she calls Liberation Based Livelihood. Work is one of the primary vehicles for expressing our deepest selves. Using the 6 Keys to Liberation Based Livelihood as a framework, Duerr takes readers through a comprehensive process that can lead to breakthroughs and positive reformulation of their careers. Mindfulness practice is an invaluable tool in the process of gaining new perspective. *Work That Matters* gives you the tools to create joyful work that embodies love and compassion for yourself and for the whole world. — *Story Matters* Margaret-Love Denman, Barbara Shoup, 2006

Story Matters offers students an inspiring and insightful approach to writing short fiction with 21 short stories and in-depth in-person conversations with their accomplished authors. Each writer describes his or her source of ideas, motivation, and writing strategies to give a personal perspective on the book's narrative of the elements of short fiction. Throughout the book, writing prompts offer ideas, advice, and jumping-off points for workshop or individual writing exercises. The writers, from Dave Eggers to Jamaica Kincaid, explain and explore the intent, technique, and meaning of their fiction, offering expert insight into the craft of writing stories. Part One: Writing Matters. This series of brief chapters provides an introduction to writing short fiction, from the spark that starts a story to the finishing touches of revision. Writing prompts integrated throughout invite readers to exercise and expand their writing muscles to create the best story possible. Part Two: Stories and Conversations. A showcase for 21 acclaimed writers, this section combines a short story, a conversation with that story's author, and related writing prompts. By reading the stories and listening to the writers talk about the joys and frustrations of the creative process, students will come to understand the challenge and satisfaction of writing well. Appendices include a set of questions a writer may want to ask when approaching a short story, a list of favorites of the authors interviewed in this book, and a bibliography of further resources in creative writing. — **Outing Magazine** Poultney
