

LES VIOLENCES DU POUVOIR

Le narcissisme créateur comme alternative

Les violences du pouvoir peuvent prendre différents visages depuis la séduction narcissique, la gentillesse extrême jusqu'à la terreur : la mère fusionnelle, le patriarche et le tyran. Ces violences traduisent la banalité du mal (Arendt) et concernent les individus « normaux » dans notre société narcissique basée sur la réussite, la recherche de pouvoir et de profit. L'individu normal obéit dans la société libérale actuelle à la loi du plus fort, la loi du marché et la loi de la jouissance à tout prix. Pour obtenir le pouvoir, il peut exercer une violence séductrice ou tyrannique. Symptômes de cette séduction et de cette violence de la société de consommation, les thérapeutes gourous fleurissent de plus en plus. Ils imposent aux patients la vérité sur ce qu'ils sont et ce qu'ils doivent faire pour mieux jouir et être performants. Leurs abus de pouvoir peuvent amener le patient à la dépression, à la dépersonnalisation, au suicide. Symptômes de la liberté démocratique de notre société, des thérapeutes co-créateurs favorisent chez leur patient l'émergence du sujet au narcissisme créateur, en reconnaissant son histoire, ses droits et son symptôme comme création de soi en évolution. Cette réflexion décrit pourquoi nous pouvons craindre le narcissisme séducteur et ses effets pervers. Elle propose une alternative au destin de victime ou à l'identification à l'agresseur dans la position du narcissisme créateur face aux violences du pouvoir.

Christine CALONNE est psychologue et psychothérapeute de formation. Ce premier ouvrage est la synthèse de ses recherches sur la création comme possibilité de développement de soi, comme modalité de relation évolutive et de résolution des conflits, comme art de vivre.
