Maths Paper 2 Grade 12 Memo June 2015:

North Carolina beyond the Connected Age Michael L. Walden, 2017-08-31 For years North Carolina has been one of the nation's fastest growing states bringing tremendous change to the state's people industries jobs places environment and government Much of this change resulted from the information and technology revolution which connected the state more fully to the country and the world But we are now moving beyond the connected age argues Michael L Walden to a new era of living production and work and North Carolina faces not only unanswered questions about the past but also new challenges and opportunities visible on the horizon What will these new transformations mean for the state's people places and prosperity In this book Walden lays out these looming economic issues and offers predictions of future trends as well as multiple policy options for taxation infrastructure and environmental issues While the future cannot be perfectly predicted Walden's expert analysis is mandatory reading for policy makers business leaders and everyday people seeking to prepare for upcoming changes in North Carolina's economy

The Schenley Experiment Jake Oresick, 2017-04-14 The Schenley Experiment is the story of Pittsburgh's first public high school a social incubator in a largely segregated city that was highly even improbably successful throughout its 156 year existence Established in 1855 as Central High School and reorganized in 1916 Schenley High School was a model of innovative public education and an ongoing experiment in diversity Its graduates include Andy Warhol actor Bill Nunn and jazz virtuoso Earl Hines and its prestigious academic program and pensions lured such teachers as future Pulitzer Prize winner Willa Cather The subject of investment as well as destructive neglect the school reflects the history of the city of Pittsburgh and provides a study in both the best and worst of urban public education practices there and across the Rust Belt Integrated decades before *Brown v Board of Education* Schenley succumbed to default segregation during the white flight of the 1970s it rose again to prominence in the late 1980s when parents camped out in six day long lines to enroll their children in visionary superintendent Richard C Wallace's reinvigorated school Although the historic triangular building was a cornerstone of its North Oakland neighborhood and a showpiece for the city of Pittsburgh officials closed the school in 2008 citing over 50 million in necessary renovations a controversial event that captured national attention Schenley alumnus Jake Oresick tells this story through interviews historical documents and hundreds of first person accounts drawn from a community indelibly tied to the school A memorable important work of local and educational history his book is a case study of desegregation magnet education and the changing nature and legacies of America's oldest public schools
