Leger S Miracle The Leger Cat Sleuth Christmas Trilogy Volume 3:

Leger's Miracle Lacey Dearie, 2014-12-12 On Christmas Eve Leger suffers from the indignity of getting stuck trying to escape from a top floor window in front of a cluster of carol singers so chooses to spend the most magical night of the year at his girlfriend Ginger's home. This decision may be one he will live to regret as they wake up on Christmas morning with a basket of newborn kittens next to them. Leger vows to find the mother of the kittens before they lose their bond with her completely but it won't be easy. He has no idea where to start and nobody in the neighbourhood was pregnant in the first place. How will he begin to track down the mother? How will his own kittens feel about his devotion to the new litter? Will his former sidekick Amber be willing to offer her help or will she be too busy matchmaking for her human? This is the third and final story in the Leger Christmas Trilogy and sees the feline characters of this series pull together and take care of each other.
