To whom it may concern-

It's a pleasure for me to write a testimonial to the character of ██████████ I have known ██████████ for over a six years now both as a business associate and a friend and in all of that time he has never shown me anything but the height of respect. He is also always prompt and courteous. When I came to this country first I hardly knew anybody but a chance meeting with ██████████ set me on the right track. He set up two interviews for me with colleagues of his in the graphics industry and persuaded one of them to hire me. As a result of his kindness I quickly integrated myself into this industry with the result that I now have my own business at this time.

I have dealt with ██████████ in the course of his own business and found him to be a fair man to deal with who gives solid instructions for the execution of his work and pays his bills when they are due.

I write both as a friend and business associate but primarily a friend.

Sincerely, 

Letter To Co Op Board
