Letters From Maine Poems:

Letters from Maine May Sarton, 1997-06 This volume celebrates the poet's brief and passionate love affair marks its passing and bursts forth with the poetic vision it left behind Letters from Maine May Sarton, 2014-12-23 The poetic tale of a fleeting love affair In her sixty years in literature May Sarton has taken her readers through all of her emotions and pushed us to explore new places within ourselves But her feelings are never more raw or exposed than in Letters from Maine The rugged coast provides a stark background for Sarton's images of a tragically brief and newfound love She describes the willingness to give anything and devote everything to a new love as well as the despair at the memory of what is left over As Sarton grew older time became an increasingly prominent factor in her life but as Letters from Maine shows it is never too Letters from Maine ,1999 The Poetry of May Sarton Volume One May Sarton, 2018-11-20 Three late to love celebrated volumes of verse from a feminist icon poet and author of the groundbreaking novel Mrs Stevens Hears the Mermaids Singing Letters from Maine A rugged coastline provides a stark background for Sarton's images of a tragically brief love With vulnerability and emotional depth she explores the willingness to devote everything to a new love as well as the despair at the memory of what is left over when it fades Inner Landscape This collection of May Sarton's poems displays her inimitable mix of stately verse and depth of feeling that lurks beneath every line creating a tantalizing magnetically charged distance between reader and poet Halfway to Silence After decades of writing flowing lyric verse May Sarton's style turned to short vibrant bursts of poetry These condensed poems are rife with exuberant impressions of nature and of love including two of her most acclaimed works Old Lovers at the Ballet and Of the Muse Recognized as a true pioneer in lesbian literature Sarton's poems enter and illuminate every natural corner of our lives So strong in their faith and in their positive response to the human condition that they will outlast much of the fashionable cynical poetry of our ear James Martin
