Booklist *Keep Me* Leighton Del Mia, 2014-02-26 I will disappoint you I will hurt you If I could be different I would But I don t think I can *Keep Me* is a follow up novella for Hero readers who want a glimpse of life after breakfast It is optional and not essential to the original plot It is only intended to be read after Hero and is not a standalone Declarations and sacrifices have been made After three years a better life is finally on the horizon But when the past leaves marks that are both painful and permanent is there ever such a thing as starting over Can memories be replaced or forgotten and should they be 21 000
