Howard, 2008-06-02 Bruce Howard opens our eyes to the moral and ethical influences in economic life and sheds light on the market's philosophical underpinnings **Boys Enter the House** David Nelson, 2021-10-05 As investigators brought out the bagged remains of several dozen young men from a small Chicago ranch home and paraded them in front of a crowd of TV reporters and spectators attention quickly turned to the owner of the house John Gacy was an upstanding citizen active in local politics and charities famous for his themed parties and appearances as Pogo the Clown But in the winter of 1978-79 he became known as one of many so-called sex murderers who had begun gaining notoriety in the random brutality of the 1970s As public interest grew rapidly victims became footnotes and statistics lives lost not just to violence but to history Through the testimony of siblings parents friends lovers and other witnesses close to the case Boys Enter the House retraces the footsteps of these victims as they make their way to the doorstep of the Gacy house itself Amid the ragged streets of the Uptown neighborhood Samuel Stapleton and Randy Reffett play out a boyhood rivalry across gangs and girls that turns into a long-lasting friendship Frank Dale Landington and Billy Carroll attempt to break free of turbulent family lives but find themselves navigating the gay underworld to get ahead On the eve of starting their own lives Gregory Godzik and Johnny Szyk juggle jobs and relationships as their paths gradually lead them to the home at 8213 Summerdale Avenue United by one man's act of depravity these victims will step forward to share boyish dreams of love and sex family tragedies of abuse and addiction and adolescent journeys through the neighborhoods of Chicago and the vibrant decade of the 1970s **Rancher at Risk** Barbara White Daille, 2014-01-01 A Fresh Start After the loss of his family in a tragic accident Ryan Malloy has been given one last chance to change his life His boss sends him to Flagman's Folly New Mexico to run his ranch but unfortunately Ryan's troubled attitude lands him in hot water with the locals especially the ranch's manager Lianne Ward Deaf since birth Lianne has never let her disability define who she is But she's yet to meet a man who treats her as an equal Ryan seems different that is when they're not butting heads over the ranch's new school for disadvantaged boys Forced to work together Lianne and Ryan discover an unexpected attraction beneath their quarreling But will Ryan's painful past drive them apart permanently The Pool Is Closed Hannah S. Palmer, 2024-10-16 In 2018 while teaching her kids to swim and working on urban river restoration projects Hannah S. Palmer began a journal of social encounters with water As she found herself dangling her feet in a seemingly all-white swimming pool she started to worry about how her young sons would learn to swim Would they grow up accustomed to the stubbornly segregated pools of Atlanta Was it safe for them to wade in creeks laced with urban runoff or dive into the ever-warming man-made swimming holes of the South Should they just join the Y But these

were n't just parenting questions In the South how we swim and whether we have access to water at all is tied up in race and class As she took her sons pool hopping across Atlanta Palmer found an intimate lens through which to view the city's neighborhoods In *The Pool Is Closed* she documents the creeks behind fences the springs in the sewers the lakes that had all but vanished since her own parents learned to swim In the process she uncovers complex stories about environmental history water policy and the racial politics of public spaces Nothing prepared Palmer for the contamination sewage and bodies that appear when you look at water too long Her search for water became compulsive a way to make sense of the world *The Pool Is Closed* is a book about water where it flows and where it floods who owns it and what it costs It's also a story about embracing parenthood in a time of environmental catastrophe and political anxiety of dwindling public space and natural resources It chronicles a year long quest to find a place to swim and finding instead what makes shared water so threatening and wild
