Social Work Professional Organizations Riccardo Guidi, 2025-11-13 Despite their long history and growing influence social work professional organisations SWPOs remain underexplored in social work research Created and fully or partly governed by professionals for professionals SWPOs comprise millions of practitioners worldwide some groups having existed for around 100 years to develop activities that are increasingly relevant for practitioners users schools of social work and policy makers This edited volume provides the first comprehensive comparative analysis of SWPOs in 15 countries bridging Global North and South perspectives Using an interdisciplinary framework it offers an evidence based typology of SWPOs illustrating their evolving role as collective actors in social work Essential reading for educators researchers and students in social work this book speaks directly to the global community of SWPOs

Language and Spirit Robyn Moloney, Shenouda Mansour, 2022-11-07 This edited book explores stories of linguistic and spiritual identity in the urban and rural Australian landscape It is an innovative mix of thirty six personal narratives and eleven research studies which together offer accounts of the intersection of languages religion and spirituality in people s lives Teachers of Indigenous languages speak of the critical connection between language revitalization the spirituality of Country and well being Both new and long established diaspora individuals speak of the often complex but vital joint role of language and faith in belonging and heritage The new dimension which the book brings to multilingualism is relevant to all complex global societies Language and Spirit is ideal for both the general reader interested in community languages and interfaith issues and academics in global intercultural studies and Applied Linguistics study wishing to gain a nuanced insight into the Language and Spirit intersection

Indigenous Education Nina Burridge, Frances Whalan, Karen Vaughan, 2012-12-23 Education is an essential pathway to bridging the divide in educational attainment between Indigenous and non Indigenous students In the Australian policy contexts Indigenous Education has been informed by a large number of reviews reports and an extensive list of projects aimed at improving educational outcomes for Aboriginal and Torres Strait Islander children Central to each has been the investigation of the inequity of access to educational resources the legacy of historical policies of exclusion and the lack of culturally responsive pedagogical practices that impact on Indigenous student achievement at school Research on best practice models for teaching Indigenous students points to the level of teachers commitment being a crucial link to student engagement in the classroom improvement of student self concept and student retention rates Most recently the Australian Institute for Teaching and School Leadership AITSL has recognized in the National Professional Standards for Teachers that practising teachers must attain skills in working with Aboriginal and Torres Strait Islander students and their communities Clearly it is time for new pedagogical practices in Indigenous education that are implemented in partnerships with local Aboriginal and Torres Strait Islander communities This book reports on a three year research based study of action learning in schools that sought to enhance engagement with local Aboriginal communities promote quality teaching and improve

students learning outcomes The school studies come from different demographic regions in New South Wales Australia s most populous state and showcase the achievements and challenges highs and lows affordances and obstacles in the development and delivery of innovative curriculum strategies for teaching Aboriginal histories and cultures in Australian schools The findings illustrate that engaging teachers in a learning journey in collaboration with academic partners and members of local Aboriginal communities in an action learning process can deliver innovative teaching programs over a sustained period of time As a result schools demonstrated that these approaches do produce positive educational outcomes for teachers and students and enable authentic partnerships with Aboriginal communities

Educators and Aboriginal Students ,1993 Contains 22 articles written by Aboriginal and non Aboriginal people experienced in the teaching of Aboriginal students

Warrabarna Kurna! Reclaiming an Australian Language Rob Amery,2000-01-01 This is a longitudinal study of the reclamation of the Kurna Language where Kurna people are working in collaboration with linguists and educators The book takes an ecological perspective to trace the history of Kurna drawing on all known sources and emerging uses in the modern period

Strengths-Based Approaches in Indigenous Education Marnee Shay,Grace Sarra,2025-09-26 This book brings together Indigenous thinkers and scholars with Western theories and practice frameworks to propose a theory for a strengths approach to knowledge production in Indigenous education The text traverses disciplines and fields that have advanced strengths based approaches in providing practitioners researchers and policy makers a way of reframing problems to start from a place of strength and capital Strengths approaches have gained traction in various contexts in Indigenous education however this book is the first of its kind to explore the field more broadly and consider its potential for a way forward in Indigenous education Using existing scholarship to consider how Indigenous education has been positioned in the past and present it puts forward compelling reasons why new approaches grounded in strengths based approaches are necessary for reimagining the possibilities for Indigenous education Offering a theoretically robust framework this is an essential resource for educators researchers and policy makers interested in transformative action in Indigenous education
