EMERGENCY Nancy stood on the steps of the train and waved at a misty eyed couple a man and woman of middle years Strange how she could be so close to tears yet so buoyantly happy all in the same moment The train began to move slowly and Nancy called back Be sure to forward all Tommy s letters Mom Her mother nodded and smiled while her father lifted his hat in that courtly way he had Nancy could scarcely believe that at last she was on her way to becoming a member of the great Army Nurse Corps In fact she was one now for she had already taken her oath of allegiance This slowly moving train marked the beginning of a wonderful journey that might take her anywhere in the whole world Africa Italy India the Arctic or the South Pacific She had been praying ever since she joined that it would be the South Pacific not only because her brother was there flying a bomber over the tropical blue waters but because the tropics had always seemed fascinating But little did she dream what she must go through before she saw again that beloved couple she had just left As she turned back into the Pullman she suddenly felt empty with that awful hollow going away feeling She thought how lucky she had been to get her nurse s training right in her own home town She had never known the feeling of homesickness for her few brief trips had all been for pleasure But this was different and far more exciting yet she knew suddenly now that it would also have its heartaches From her seat in the car she caught one more glimpse of her parents How lonesome they would be with both their children in the service For a few minutes as the train crawled out of the city Nancy could think of nothing but the two she was leaving behind How concerned poor Mom had been when she said Do be careful darling about getting wet You know how easily you take cold when your feet are wet Nancy had promised to be as careful as possible but didn t fret her mother by saying she was afraid there would often be days on end when her feet would always be wet if her experiences were anything like the overseas nurses she heard from in Italy and New Guinea Not until the last house of her beloved town had vanished beyond the green hills did Nancy turn her gaze to the inside of the Pullman She noticed now that practically everyone was in uniform both men and women There were two WACs across from her and an ANC captain a little farther up She thought it would have been more fun had someone been going with her This trip to the capital was always so slow and boring then there would be a tiresome wait before she took the sleeper for Alabama She tried to read but was too keyed up to concentrate She could think of nothing but the great adventure into which she was going Settling her head against the cushion she faced the window watching the rolling hills Suddenly she realized she was tired after all the excitement of farewell parties and packing How grand everyone had been to her Since she was the only volunteer in her class she had been given a dance at the Nurse s Home How could anyone stay behind she wondered when the fighting men needed so many nurses Drowsiness was creeping over her when she caught the low tones of two men behind her The fact that they were speaking in a foreign tongue pricked her to alertness She leaned closer to the window and concentrated They were talking

almost in whispers but she heard the guttural syllables of several German words She had studied a little German in her high school days in order to sing some selections from the Wagnerian operas Now she caught the words ute Abend and acht Kusches Tonight eight cars she translated To be continue in this ebook      **Nancy Dale, Army Nurse** Ruby Lorraine Radford,2017-06-04 Nancy Dale Army Nurse By Ruby Lorraine Radford      **Nancy Dale, Army Nurse by Ruby Lorraine Radford** Ruby Lorraine Radford,2021-05-07 Adventure began for Nancy Dale on her way to the Army Nurse Corps basic training school when she overheard two men speaking German on a crowded Pullman and it followed her half way around the world to a lonely South Pacific island      **Nancy Dale, Army Nurse** Ruby Lorraine Radford, Henry E Vallely,2025-03-28 Experience the courageous story of Nancy Dale Army Nurse a compelling tale by Ruby Lorraine Radford This meticulously republished edition offers a glimpse into the vital role of women in World War II Journey alongside Nancy as she serves as an army nurse facing the challenges and triumphs of military life during a pivotal moment in history A classic example of juvenile historical fiction this book explores the experiences of a female soldier shedding light on the contributions of women on the front lines Perfect for readers interested in historical perspectives on World War II military stories and the inspiring careers of women in service Discover the timeless appeal of this narrative that captures the spirit and dedication of those who served This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *Nancy Dale, Army Nurse* Ruby Lorraine Radford,1944 Adventure began for Nancy Dale on her way to the Army Nurse Corps basic training school when she overheard two men speaking German on a crowded Pullman and it followed her half way around the world to a lonely South Pacific island dust jacket      **Nancy Dale, Army Nurse** Ruby Lorraine Radford,2023-10-26 In Nancy Dale Army Nurse Ruby Lorraine Radford crafts a compelling narrative that intertwines personal sacrifice professional duty and the lived experiences of women during wartime Set against the backdrop of World War II the novel captures the resilience and bravery of Nancy Dale a young nurse navigating the trials of military service Radford employs a vivid literary style rich in detail and emotional depth reflecting the era s profound social changes and the often overlooked role of women in the armed forces Through Nancy s journey readers are confronted with themes of healing camaraderie and the harsh realities of conflict presented with an authenticity that resonates even today Ruby Lorraine Radford an accomplished writer and historian draws on her extensive research into military history and the social dynamics of the 1940s which undoubtedly informed her portrayal of Nancy Radford s passion for women s narratives and commitment to unveiling the often silenced voices of military nurses comes through in her
