Say Yes to God Kay Warren,

2010-10-05 You have a plan for the rest of your life God has a plan for the rest of your life Are they the same Say Yes to God formerly titled *Dangerous Surrender* will help you find the answer You have expectations for how your life will play out and you hope those plans will become realities But what if God s plan for your life is far different from what you had in mind Can you accept that Will you surrender your goals for God s Kay Warren had a plan Together with her husband Rick Warren author of the megaseller *The Purpose Driven Life* she planned that after her kids were grown she d travel the world teaching and encouraging couples in ministry It was a good plan But it wasn t what God had in mind for her In her own startling wake up call Kay discovered the shocking realities of the AIDS pandemic in Africa while reading a magazine I want to use you she heard God say That began the struggle first to avoid God s call and then to surrender herself to God She cried out to God Why are you bothering me with this There s nothing I can do about it I m just an ordinary person What could one person do about such a gigantic problem But God had grabbed her

attention and wouldn't let go. If you've ever struggled with knowing and doing God's will, this book is for you. With raw honesty, Kay goes straight to the heart of the matter: the bottom line is surrender. Will you say yes to God? Along the way, she'll introduce you to others, people like you who have said yes to God and have made a difference in the world. Using their skills, energy, faith, and a willingness to take risks, they became powerful instruments of change and tools in God's hands. Giving in to God isn't easy. It's not for cowards. It's the boldest, riskiest step you'll ever take. This dangerous surrender can bring both joy and pain, both heartache and ecstasy, but it enables you to know God in a far deeper way than ever before. I had to make a conscious decision: Would I retreat to my comfortable life and to my settled plans? Or would I surrender to God's call and let my heart engage with the cause to which he called me, one that I was pretty sure would include buckets of pain and sorrow? I felt like I was standing on the edge of a giant precipice. I couldn't go back, and yet the way forward looked like stepping into a void. Kay Warren took that step, choosing to say yes to God. That decision transformed her life and reshaped her future. She invites you to do the same. You'll benefit most by discussing this book with others. A Readers Group Discussion Guide is provided in the back of the book. Additional help can be found at www.kaywarren.com.

Don't You Dare Stop Dreaming: A Midlife Guide to Rekindling Goals, Grit, and Grace Susan D. Sharp, 2025-09-15. Don't You Dare Stop Dreaming: A Midlife Guide to Rekindling Goals, Grit, and Grace is not your typical self-help book. It doesn't preach pressure or promise a perfect life in six easy steps. Instead, it invites you to sit down, breathe deep, and remember that your story isn't over; it's just getting good. Written with both humor and hope, this bold midlife manifesto by artist, speaker, and creative Susan D. Sharp is a breath of fresh, funny, and faith-filled air. It meets you in the messy middle, with career changes, caregiving, chaos, stalled dreams, and questions that keep you up at 2 a.m. and reminds you that dreaming isn't something we outgrow. It's something we come back to with more clarity, courage, and coffee. Through true stories of late bloomers and bold re-starters like the painter who didn't pick up a brush until after retirement, the woman who started a cupcake business from her basement, and the man who finally finished the children's book he shelved decades earlier, this book reveals how transformation is possible even when life hasn't gone to plan. With insights from modern thinkers like Marsha Sinetar's *Do What You Love, The Money Will Follow*, Danielle Krysa's *Your Inner Critic Is a Big Jerk*, and Elle Luna's *The Crossroads of Should and Must*, you'll learn to embrace your evolving definition of success. Take tiny, consistent steps toward a revitalized dream. Make peace with past detours, and detours still to come. Speak your longings out loud without apology. Say yes to joy, hobbies, and creative play. Invite collaboration and ask for help boldly. Discern between ego goals and legacy goals. Pitch, pivot, and persist with God as your ultimate encourager. Each chapter includes journal prompts, what-if exercises, biblical wisdom, and space to reflect on how God still delights in your dreams. You'll be reminded that failure isn't the end; it's fertilizer. That play isn't frivolous; it's fuel. And that midlife isn't about fading out; it's about turning up the volume on your voice, your vision, and your victory. Whether you're in your 40s, 50s, 60s, or beyond, if your spark feels dim or your goals feel out of reach, this book is your friendly nudge and heartfelt permission slip.

You don't have to be famous flawless or fearless You just have to be willing to say yes to the next brave step Don't You Dare Stop Dreaming is part pep talk part prayer part creative workbook and all grace **Dangerous Surrender** Kay
