God? Peter Seiler,2015-07-10 If the Bible is as Much Fable as Fact Did God Create Man or Did Man Create God searches for  
a reasonable and reasoned foundation upon which to speak of the relationship between God and humanity The author Peter  
Seiler marshals his education in both science and history in his exploration of the Bibles claims of faith shedding the light of  
scientific findings and historical analysis on the biblical texts Spanning ten parts the text begins with an extended  
introduction to the author and his method before conducting a four part examination of the history of faith from the ancient  
past through the Enlightenment Then the author examines in three parts the case for the involvement of alien life in human  
history Finally he turns to the future before summarizing his conclusions If the Bible is as Much Fable as Fact Did God  
Create Man or Did Man Create God will satisfy the hunger of readers who desire to shed the light of reason bolstered by  
verifiable facts upon the claims of faith It also will intrigue people with deeply held beliefs who desire to know the yearnings  
of their friends and family members who find those same claims of faith on the far side of a chasm they cannot traverse by a  
leap of faith In either case If the Bible is as Much Fable as Fact Did God Create Man or Did Man Create God makes a

powerful case for its perspective on the titles question
