Medical Terminology: The Body Speedy Study Guides Speedy Publishing, 2014-07-21 Having a Medical Terminology Book is a good reference to have for one's library. It helps people to better understand the health conditions they may have and those of loved ones because medical jargon can be unclear and confusing. It also aids in helping patients to communicate with their medical care providers in a clear, concise way. It is a necessary tool for health professions students and for professionals like Doctors, Nurses, Nursing Assistants, and Allied Health Practitioners to have and consult. *Medical Terminology: The Basics* Speedy Study Guides Speedy Publishing, 2014-07-21 Most people leave their medical care completely in the hands of their trusted physician, never questioning a prescription or treatment. While all the terminology may seem frightening and complicated, there are some benefits to learning what certain terms refer to. Educating yourself on what certain medical terms mean can go a long way to helping you address concerns with your doctor. You will no longer be in the dark about what you are being prescribed, and you can more comfortably look over any paperwork about your health, giving you the advantage when it comes to working out a plan with your doctor that you feel comfortable with. Medical Terminology (Speedy Study Guides) Speedy Publishing, 2014-06-18 What is Medical Terminology? Medical terminology is a type of language that describes words, diseases, and medical-related terms used in the healthcare industry. It includes a listing of drug names, symptoms, and medications, as well as the various parts of the anatomy. Medical terminology is also used extensively in the medical billing and claims process. How Would a Chart About Medical Terminology Benefit Anyone? Knowledge of medical terminology is beneficial to patients because it can give them insight into their health and well-being. It can also help those working in medical professions perform more efficiently. It's also a course required in almost any healthcare program. **Medical Terminology** Speedy Publishing LLC, 2014-07-28 There is so much information the student gleans from basic medical terminology of the human body that further study is impossible without this foundation, including pronunciation of words, prefixes and suffixes of words, spelling, and especially word definitions, are all part of the basis of medical terminology.
