Meditation and Its Methods by Swami Vivekananda (Hardcover Library Edition) Swami Vivekananda, 2023-04-04 *Hasidism, Suffering, and Renewal* Don Seeman, Daniel Reiser, Ariel Evan Mayse, 2021-06-01 Kalonymus Kalman Shapira 1889 1943 was a remarkable Hasidic mystic leader and educator He confronted the secularization and dislocation of Polish Jews after World War I the failure of the traditional educational system and the devastation of the Holocaust in which he lost all his close family and eventually his own life Thanks to a new critical edition of his Warsaw Ghetto sermons scholars have begun to reassess the relationship between Shapira s literary and educational attainments his prewar mysticism and his Holocaust experience and to reexamine the question of faith or its collapse in the Warsaw Ghetto This interdisciplinary volume the first such work devoted to a twentieth century Hasidic leader integrates social and intellectual history along with theological literary and anthropological analyses of Shapira s legacy It raises theoretical and methodological questions related to the study of Jewish thought and mysticism but also contributes to contemporary conversations about topics such as spiritual renewal and radical religious experience the literature of suffering and perhaps most pressingly the question of faith and meaning or their rupture in the wake of genocide *Swami Vivekananda Bibliography* Prabhuśaṅkara, 1999 *Krsna and Christ* Steven Tsoukalas, 2011-09-01 This work compares the Krsnavatara Krsna in his avatara doctrines of Sankara and Ramanuja and the incarnation of Christ as represented by classical Christian orthodoxy and draws out comparative theological and soteriological implications It does so first by examining the epistemologies theologies and world views of Sankara and Ramanuja and the theology and world view of classical Christian orthodoxy so that second an adequate foundation and subsequent thorough representation of avatara and incarnation might be accomplished in order that third accurate comparisons may be drawn between avatara and incarnation The result of this study is a demonstration that many of the popularly held similarities between avatara and incarnation are superficial and that therefore careful consideration of epistemologies and ontologies should be undertaken when comparing theologies and soteriologies pertinent to avatara and incarnation
