

MEIN KAMPF

(MY STRUGGLE)

It would not be exaggerating to say that no more important autobiography than this has been published since the War, and certainly no autobiography has been issued for decades over which controversy has raged so bitterly. Whatever one's political views may be, it is a book everyone should read, for it reveals the forces and circumstances which went to make a remarkable character, whose intense belief in his ideals won over a mighty nation, and changed the course of history.

The News Chronicle called it "an astonishing book"; the Evening News said: "It commands attention." Morning Post: "We recommend a close study of this book." The Evening Standard said: "The whole of the political Hitler is in these brutally candid pages." The Yorkshire Post said: "The book should be extremely valuable in enabling English readers to obtain a general conception of Hitler's theories." Major F. Yeats-Brown wrote: "I hope My Struggle will be published in a cheap edition."
