

A woman with blonde hair is singing into a microphone, positioned centrally in the upper half of the frame. She is wearing a dark, off-the-shoulder top. The background is a dark, starry night sky with a faint aurora borealis visible in the lower half. A dark silhouette of a mountain range is at the bottom. ## **Kristina S Silence:**

Kristina's Silence Robert Burns,2015-05-04 A teenage girl finds herself scrambling for her life in the frozen wilderness but who can she trust for she alone holds the evidence to bring down a corrupt and ruthless regime As the action races from the glacial Siberian wastes to the political heart of Moscow Kristina s chances look bleaker by the minute The only thing for certain is that no one can predict the true cost of Kristina s silence From the faint noises in the undergrowth she could tell that he was still moving away from her it was perhaps her one and only chance Taking a slow shaking breath to fill her lungs she readied herself then sprinted for the thickest tree ten metres ahead of her She heard him swearing aloud behind her followed by the sound of two rifle rounds blasting through the bark on the saplings immediately to her left She changed direction Darting past the largest conifer temporarily sheltered from his line of fire by its one hundred year old trunk she dared not slow down The pine s girth might protect her for a few seconds but she was desperate to put some distance between herself and the hunter before he regained his night vision
