since the early 1950 s While the Sachs powered off road machines established a solid foothold for Penton motorcycles John began to pressure KTM to construct an engine of their own design The first of the Penton models powered by KTM engines debuted in 1972 as the 175cc Jackpiner followed in 1973 by the 250cc Hare and the 400cc Mint in 1974 See Workshop Manual ISBN 9781588502933 for Sachs powered Pentons However KTM was also marketing identical KTM badged bikes as MC Motocross and GS Gelande Sport models on an international level Obviously this did not sit well with John and the situation worsened when those same KTM badged bikes began to show up on the west coast through a different USA importer The 1976 MC 5 and Cross Country and the 1977 GS 6 Pentons were also badged and sold as KTM s and the association between John and KTM continued to deteriorate In the interim KTM had been pressuring John to relinquish control of his distribution rights and in 1978 KTM purchased both the distribution rights and the company infrastructure and the Penton brand was no more A sad end to an era of great innovation by John Penton however his motorcycles and the identical KTM versions are regarded as some of the best ever to come out of the 1970 s off road motorcycle phenomenon and are highly collectible and still used in vintage events by enthusiasts worldwide Unfortunately owners of these early Penton motorcycles are subjected to considerable confusion surrounding the appropriate selection of the multitude of originals and reprints of the various manuals and parts lists that have recently flooded the marketplace We encourage you to exercise caution when purchasing a manual for your motorcycle or automobile as many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that have no idea what they are selling Many are nothing more than poor quality comb bound or ring bound photocopies that are scanned and printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often advertised for the incorrect series and or model years
