# LES FOURNIRET

La langue française de Michel Foucault et de ses compagnons est à l'origine du projet d'un système judiciaire alternatif de la loi.

There is great interest in the current situation for the future development of the private sector, especially in terms of the potential for foreign direct investment in the oil sector, and the current and potential role of international oil companies in the sector. The oil sector is a key sector for the country's economic development, and the government is committed to attracting foreign investment in the sector. The government is also committed to ensuring that the oil sector is managed in a transparent and accountable manner, and that the benefits of the sector are shared with the people of the country.

Par conséquent, les juges de l'Ordre ont tenu à ce que les juges du Tribunal ne soient pas effrayés par les succès obtenus par la République de cet homme qui avait travaillé.

## Meurtres à quatre mains

Several large private schools throughout the country, including the University of the Sacred Heart, have been closed since 1995 because of financial problems. People with considerable financial means often send their children to these institutions, so the government will close institutions that don't become self-sufficient. A newspaper has estimated that there are 100,000 private students in the country.
