## **Life After Breasts A Personal Journey:**

*Life After Breasts* Lynette Sloane, 2020-06-09 When I heard I had cancer and would lose my right breast I was devastated but this surgery was necessary to save my life Afterwards I was asked if I felt less of a woman I didn't and I wasn't and nor is any woman who finds herself in this position I had three small children and a newborn baby to look after so life on chemotherapy and afterwards was hard I drew on my inner strength and my faith in God and three and a half years later after my second mastectomy I started down the path of breast reconstruction Far from being a depressive end to life it was only after this chapter of my life that I began writing singing in a music group and I recorded a Gospel CD Through my book I am hoping to reach other ladies their partners and friends who are supporting them through this illness or through other illnesses or problems You are not alone There are people who can help and support you and who understand what you are going through For the survivor there is life after breasts My husband and I made mistakes and he writes a small section explaining where he went wrong Hopefully some marriages will be saved by applying the advice written in this book *After*

*Breast Cancer* Hester Hill Schnipper, LICSW, 2008-11-26 As women quickly discover their life when treatment ends is very different from what it was before their diagnosis Often exhausted anxious and emotionally volatile they are beset by physical discomforts fearful of intimacy afraid for their children worried about recurrence Anticipating a return to normalcy they discover that the old version of normal no longer applies There could be no more knowledgeable guide for women embarking on this complicated journey than Hester Hill Schnipper who is herself both an experienced oncology social worker and a breast cancer survivor This comprehensive handbook provides jargon free information on the wide range of practical issues women face as they navigate the journey back to health including Managing physical problems such as fatigue hot flashes and aches and pains Handling relationships your children your partner your parents your friends How to regain emotional and sexual intimacy Coping with financial and workplace issues Genetic testing why whether when How to move beyond the fear of recurrence And much more This indispensable book will help you rediscover your capacity for joy as you move forward into the future as a survivor **Celebrating Life Decades After Breast Cancer** Beverly McKee, 2015-10-01

Imagine the hope and comfort you will feel surrounded by forty inspiring breast cancer survivors as they share stories of celebrating life twenty forty even fifty years after diagnosis You'll be welcomed into an inner circle of support as each woman shares her personal journey through breast cancer and insight about why she believes she has thrived for decades beyond diagnosis Whether you are a survivor caregiver family friend or part of an oncology team this book will help quiet fear calm anxiety and offer the priceless gift of hope Beverly McKee MSW LCSW is a mental health therapist and Stage III breast cancer survivor She was inspired to compile this powerful collection of stories after planning a party set for October 17 2052 exactly forty years in the future from the date of her own diagnosis You are invited to meet these unforgettable women during a worldwide book tour For details and to learn how you can join an exclusive online book club visit [www](http://www)
