SMILEY'S PEOPLE

Les Gens De Smiley

John le Carré

Les Gens De Smiley:

Smiley's People John Le Carré, 1982 Smiley's People John le Carre, 2002-11-26 A spy story that gives the final convulsive confrontation between George Smiley and his mortal enemy Karla **Smiley's People** John Le Carré, 2009-11-26 Smiley's People is one of John le Carré's classic Cold War novels and George Smiley one of his most acclaimed characters. Into a shadowy violent and intricate world steeped in moral ambivalence steps George Smiley, sometime acting Chief of the Circus as the Secret Service is known. His brief is to bury crime, not solve it, as he fights his own private battle from London to Paris and to Hamburg for his last duel with his Russian opposite number codenamed Karla. *Smiley's People* John le Carré, 2011-06-28 From the New York Times bestselling author of *Tinker Tailor Soldier Spy*, *Our Kind of Traitor*, and *The Night Manager*, now a television series starring Tom Hiddleston. Tell Max that it concerns the Sandman. A very junior agent answers Vladimir's call, but it could have been the Chief of the Circus himself. No one at the British Secret Service considers the old spy to be anything except a senile has-been who can't give up the game until he's shot in the face at point-blank range. Although George Smiley's code name Max is officially retired, he's summoned to identify the body now bearing Moscow Centre's bloody imprimatur. As he works to unearth his friend's fatal secrets, Smiley heads inexorably toward one final reckoning with Karla, his dark grail. In *Smiley's People*, master storyteller and New York Times bestselling author of *The Spy Who Came in from the Cold* and *Our Kind of Traitor*, John le Carré brings his acclaimed Karla Trilogy to its unforgettable, spellbinding conclusion. With an introduction by the author. Smiley's People John le Carré, 2017-08-03 The murdered man had been an agent once long ago. But George Smiley's superiors at the Secret Service want to see the crime buried, not solved. Smiley will not leave it at that. Not when it might lead him all the way to Karla, the elusive Soviet spymaster. *Smiley's People* is a thrilling confrontation between one of the most famous spies in all fiction and his Cold War rival Karla. Like *Tinker Tailor Soldier Spy* and *The Honourable Schoolboy*, it is as tense and unforgettable as only le Carré's novels can be. **The Karla Trilogy**

Digital Collection Featuring George Smiley John le Carré, 2011-12-06 *TINKER TAILOR SOLDIER SPY* The first novel in John le Carré's celebrated and New York Times bestselling Karla trilogy featuring George Smiley. *Tinker Tailor Soldier Spy* is a heart-stopping tale of international intrigue. The man he knew as Control is dead, and the young Turks who forced him out now run the Circus. But George Smiley isn't quite ready for retirement, especially when a pretty would-be defector surfaces with a shocking accusation: a Soviet mole has penetrated the highest level of British Intelligence. Relying only on his wits and a small loyal cadre, Smiley recognizes the hand of Karla, his Moscow Centre nemesis, and sets a trap to catch the traitor. *THE HONOURABLE SCHOOLBOY* As the fall of Saigon looms, master spy George Smiley must outmaneuver his Soviet counterpart on a battlefield that neither can afford to lose. The mole has been eliminated, but the damage wrought has brought the British Secret Service to its knees. Given the charge of the gravely compromised Circus, George Smiley embarks on a campaign to uncover what Moscow Centre most wants to hide. When the trail goes cold at a Hong Kong gold seam, Smiley dispatches

Gerald Westerby to shake the money tree A part time operative with cover as a philandering journalist Westerby insinuates himself into a war torn world where allegiances and lives are bought and sold Brilliantly plotted and morally complex The Honourable Schoolboy is the second installment of John le Carr s renowned and New York Times bestselling Karla Trilogy the follow up to Tinker Tailor Soldier Spy SMILEY S PEOPLE Tell Max that it concerns the Sandman A very junior agent answers Vladimir s call but it could have been the Chief of the Circus himself No one at the British Secret Service considers the old spy to be anything except a senile has been who can t give up the game until he s shot in the face at point blank range Although George Smiley code name Max is officially retired he s summoned to identify the body now bearing Moscow Centre s bloody imprimatur As he works to unearth his friend s fatal secrets Smiley heads inexorably toward one final reckoning with Karla his dark grail In Smiley s People master storyteller and New York Times bestselling author of The Spy Who Came in from the Cold and Our Kind of Traitor John le Carr brings his acclaimed Karla Trilogy to its unforgettable spellbinding conclusion John le Carr s memoir The Pigeon Tunnel Stories from My Life will be available from Viking in September 2016
