Radicalization in Belgium and the Netherlands Nadia Fadil, Francesco Ragazzi, Martijn de Koning, 2019-05-30 The concept of radicalization is now used to account for all forms of violent and non violent political Islam Used widely within the security services and picked up by academia the term was initially coined by the General Intelligence and Security Service of the Netherlands AIVD after the 9 11 and Pentagon attacks an origin that is rarely recognised This book comprises contributions from leading scholars in the field of critical security studies to trace the introduction adoption and dissemination of radicalization as a concept It is the first book to offer a critical analysis and history of the term as an empty signifier that is a word that might not necessarily refer to something existing in the real world The diverse contributions consider how the term has circulated since its emergence in the Netherlands and Belgium its appearance in academia its existence among the people categorized as radicals and its impact on relationships of trust between public officials and their clients Building on the traditions of critical security studies and critical studies on terrorism the book reaffirms the importance of a reflective approach to counter radicalization discourse and policies It will be essential reading for scholars of security studies political anthropology the study of Islam in the west and European studies Routledge Handbook of Islam in the West Roberto Tottoli, 2014-09-19 Islam has long been a part of the West in terms of religion culture politics and society

Discussing this interaction from al Andalus to the present this Handbook explores the influence Islam has had and continues to exert particularly its impact on host societies culture and politics Highlighting specific themes and topics in history and culture chapters cover European paradigms Muslims in the Americas Cultural interactions Islamic cultural contributions to the Western world Western contributions to Islam Providing a sound historical background from which a nuanced overview of Islam and Western society can be built the Routledge Handbook of Islam in the West brings to the fore specific themes and topics that have generated both reciprocal influence and conflict Presenting readers with a range of perspectives from scholars based in Europe the US and the Middle East this Handbook challenges perceptions on both western and Muslim sides and will be an invaluable resource for policymakers and academics with an interest in the History of Islam Religion and the contemporary relationship between Islam and the West Contemporary Qur'ānic Hermeneutics Georges

Tamer,2025-03-31 This project presents the hermeneutical approaches to the Qur n of the most prominent Qur nic scholars in Islamic intellectual history Not only scholars who wrote commentaries on the Qur n in the narrow sense of the word taf s r are to be presented but also those who dealt hermeneutically with the Qur n in various ways The Handbook of Qur nic Hermeneutics is the first book that discusses all the hermeneutical fields of the Qur n It will be published in seven volumes
